

**CITY OF HUGHSON
Parks and Recreation
Survey**

With the current development expansion within the City of Hughson there are a number of new residential developments in progress and more residential developments coming in the future. The City of Hughson Parks & Recreation Commission has put together this survey asking for public input for the development of new parks and play areas. Please take a few minutes to read through and fill out the survey and return it to the City of Hughson. The city of Hughson Parks & recreation Commission needs your ideas and input because these are your parks.
