FEBRUARY: "Random Act of Kindness Day is February 17th, 2023." With respect to that date, we would like to offer a "Pay it Forward" promotion. For every adoption that day, SASA will sponsor another hard to adopt dog. The plan would be to sponsor (and promote "free adoption") for dogs with no behavior problems but that have been at the shelter the longest. The longest stays get the free adoptions by whomever takes the \$120.00 second/hard to adopt dog's fee would be waived advantage of the promotion.)

March: Puppy Appreciation month: All dog adoptions receive a complimentary dog license. This is a savings to every adopter of \$12.00, out of the original \$120.00 adoption fee.

The HHW Mobile Collection Station and Shred-It

On May 6th the Household Hazardous Waste Mobile Collection Station and Shred-It will be at 7018 Pine Street from 8 AM to Noon or until they are full. The HHW Mobile Collection accepts household hazardous items such as paint, oil, batteries, and used sharps with a closed lid.

Connecting Communities On The S

The Stanislaus Regional Transit Authority (StanRTA) is launching systemwide service changes on March 5, 2023, as a result of its Comprehensive Operational Analysis (COA) findings from 2022.

The changes will help provide transit equity across The S service area. The "Connecting

Communities on The S" service launch will add 200+ new bus stops and partially redesign most routes. StanRTA has detailed service change information for each route at www.RidetheS.org.

Highlights include:

- Added Sunday Bus Service
- Added 60-Minute Service Frequency
- Bidirectional Routes to Improve On-Time Performance
- Three New Routes
- Ceres Mobility Hub

All services on The S will be free from March 5 through 18 to celebrate Go Green Weeks. Riders are encouraged to purchase and activate multi-day passes accordingly. Passes are not refundable once activated.
