Connecting Communities On The S

The Stanislaus Regional Transit Authority (StanRTA) is launching systemwide service changes on March 5, 2023, as a result of its Comprehensive Operational Analysis (COA) findings from 2022. The changes will help provide transit equity across The S service area. The "Connecting Communities on The S" service launch will add 200+ new bus stops and partially redesign most routes. StanRTA has detailed service change information for each route at www.RidetheS.org.

Highlights include:

· Added Sunday Bus Service

· Added 60-Minute Service Frequency

· Bidirectional Routes to Improve On-Time Performance

· Three New Routes

· Ceres Mobility Hub

All services on The S will be free from March 5 through 18 to celebrate Go Green Weeks. Riders are encouraged to purchase and activate multi-day passes accordingly. Passes are not refundable once activated.
