CITY OF HUGHSON
DONATION AND GIFT POLICY

A. PURPOSE:

The purpose of this policy is to establish a formal process for acceptance and documentation of donations and gifts made to the City. This policy provides guidance when individuals, community groups, and businesses wish to make donations to the City. This policy also establishes the standards for City employees and City officials regarding the acceptance of gifts during the performance of City business.

B. DEFINITIONS:

1. Donation: A contribution made to the City without expectation of goods, services, or significant benefit or recognition in return. Donations may be offered in the form of money or contributions of real or personal property. A donation may be undesignated, where the donor has placed no limitation on its use, or designated, where the donor has designated its use to a specific purpose (e.g., City sponsored events like National Night Out, Tent or Trunk and Treat, etc.). Donations that, if accepted, would obligate the City to enter into a service, procurement, or other agreement shall not be considered a donation.

2. Gift: Any payment or other benefit that confers a personal benefit on the recipient for which they have not provided equal or greater consideration to the donor (e.g., holiday gift baskets, etc.).

3. Donor: Any organization or individual who provides the City with a donation.

4. Donation Agreement: An agreement between the City and the donor that details any restrictions on a donation as well as the respective obligations of the donor and the City.

C. GENERAL PROVISIONS:

1. The City welcomes undesignated donations, and designated donations, that enhance City services, programs, activities, and/or events, reduce costs that the City would incur in the absence of the donation, or that otherwise provide a benefit to the City. The City may decline any donation without comment or cause.

2. Donations may only be accepted when they have a purpose consistent with the City's goals and objectives and are in the best interest of Hughson. The City must always consider the public trust and comply with all applicable laws when accepting donations. Donations may not be used for personal financial gain of any City elected or appointed official, or employee.

3. Employees and/or elected officials of the City shall follow the provisions listed in City of Hughson Ordinance No. 04-03, Code of Ethics and City of Hughson Resolution No. 04-56, Conflict of Interest Code as they relate to the receipt of gifts.

4. Anonymous gifts shall be delivered to the City Manager for appropriate disposition.

5. Gifts offered for gratuitous purposes (e.g., holiday gift baskets, etc.) to any employee, department or the City shall be made available to benefit all employees.

6. This policy does not prohibit a City official from accepting anything of value by way of a gift when such a gift is made to and accepted on behalf of, the City of Hughson. All such gifts to the City shall be forwarded to the City Manager for compliance with this policy whenever possible; the City Manager will ensure that all such gifts are shared by all City staff.

7. Under the Political Reform Act, public officials and employees are required to disclose certain personal financial holdings as outlined in California Government Code sections 81000-91014. The Fair Political Practices Commission requires all public officials and employees to file a 'conflict-of-interest statement,' known as Form 700. In Schedule D of Form 700, details requirements in reporting gifts of a dollar value and shall be used.

8. Donors shall not expect, nor shall the City grant, any extra consideration to the donor in relation to City procurement, regulatory matters, or any other business, services, or operations of the City.

D. PROCEDURES:

All donations to the City, including offers to employees related to the City, shall immediately be submitted for consideration for acceptance. Based on the value of the donation offered as outlined below, appropriate City staff shall review every donation and determine if the benefits to be derived warrant acceptance of the donation. The following points list the threshold amounts for donation acceptance.

1. Acceptance of Donations:

   a. Designated, and undesignated donations of $1,000 or less may be accepted by the City Manager. Designated, and undesignated donations of more than $1,000 must be brought to the City Council for approval and acceptance. The City Manager may only accept or decline any donation after consideration of an immediate or initial expenditure, and consideration of the potential and extent of the City's obligation to maintain, match or supplement the donation. The City Manager may choose to request City Council consideration of any donation.

   b. The City Council shall consider proposed donations beyond authority of the City Manager set forth above. The City Council may accept or decline any donation at its sole discretion.

   c. Before acceptance of any donation, a *Donation Acceptance Form*, or other applicable form, is required to be completed by the City Manager's Office. A sample Donation Acceptance Form is attached as Exhibit A.

d. Before acceptance of a designated or an undesignated donation valued at more than $1,000, which requires the acceptance of the City Council, the respective obligations of the donor and the City shall be set forth in a donation agreement. A sample donation agreement is attached as Exhibit B. The City Manager or City Council may require donation agreements for donations valued at any amount.

e. When donations with a value more than $100 are accepted, or upon the request of the donor, the City will issue the donor a receipt indicating the amount of the donation within 30 days of receiving the donation. The donation receipt will also include the date of the donation, the name of the donor, the purpose of the donation (if a designated donation) and note that the donor received no goods or services in exchange. The original receipt shall be submitted to the donor and the City shall retain a copy. A sample donation receipt is attached as Exhibit C.

2. Distribution of Donations and Gifts:

a. Tangible items will be distributed to appropriate City departments for use or, at the discretion of the Department Director or City Manager, disposed of in an appropriate manner according to this policy.

b. Donations of cash for designated donations will be deposited into the appropriate revenue account for the designated City service, program, activity, and/or event.

c. Donations of cash for undesignated donations under $1,000 will be deposited into the City's General Fund donation account. Undesignated donations in an amount over $1,000 will be distributed at the direction of City Council.

3. Dissemination of Information:

PART III - DISTRICT DIAGRAMS

District Diagrams

The boundaries of Districts are shown on the maps in Appendix B. The lines and dimensions of each lot or parcel within the Districts are those lines and dimensions as shown on the maps of the Stanislaus County Assessor for the year in which this Report was prepared and are incorporated by reference herein and made part of this Report.

PART IV – METHOD OF APPORTIONMENT

Method of Apportionment

The 1972 Act allows for the establishment of assessment districts by public agencies for the purpose of providing certain public improvements as detailed in Section I of this Report. The 1972 Act also requires that the cost of these improvements and services be assessed based on benefit received rather than by assessed value of the properties being assessed. In accordance with the 1972 Act, Section 22573:

> *"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among assessable lots or parcels in proportion to the estimated benefits received by each such lot or parcel from the improvements"*

The method of apportionment described in this Report, and confirmed by the City Council at the time of formation utilizes commonly accepted engineering practices which have been established pursuant to the 1972 Act and the California Constitution for the allocation of special benefit assessments. The calculation of assessments is based upon the parcel type and the services and improvements provided to equitably apportion the costs based on the special benefit received by each lot or parcel. The special benefit received by each lot or parcel is over and above any general benefit conferred upon said lots or parcels or to the public at large.

DESCRIPTION OF BENEFIT

Special Benefit

The improvements and associated costs have been allocated to the assessable properties within the Districts based upon the special benefit received by those properties, pursuant to the provisions of the 1972 Act and the California Constitution. The improvements for which the properties will be assessed have been identified as necessary, were required as a part of the development plans specifically for each individual tract and are also in compliance with the development plans and General Plan of the City. As such, the improvements and continuing maintenance and servicing are strictly the obligation of the properties within the Districts.

Definition of Special Benefit

The method of apportionment described in this Report is based on the premise that each assessable lot or parcel receives distinct and special benefits from the improvements and services provided, including the visual desirability provided by well-maintained landscaping. In accordance with Article XIII D, Section 4 of the California Constitution:

> *"Special benefit means a particular and distinct benefit over and above general benefits conferred on real property located in the District or the public at large"*

Some of the special benefits associated with local landscaping and lighting improvements are:

- Enhanced desirability of properties due to proximity of the improvements.
- Improved aesthetic appeal provided by a positive representation of the development, neighborhood and the community.

- Improved ingress and egress to property resulting in enhanced traffic flow, reduced traffic accidents and consequent reduction in possible property damage.
- Improved traffic visibility and circulation.
- Improved accessibility for emergency vehicles.
- Reduced vandalism and other criminal activity.
- Enhanced environmental quality provided by adequate green space and other landscaping which helps moderate temperatures, reduce noise pollution and control dust and debris.

ASSESSMENT RANGE FORMULA

It is generally recognized that most budgetary items will be impacted by inflation in future years. In accordance with the California Constitution, Section 53739 (b)(1), assessments ***"may be adjusted for inflation pursuant to a clearly defined formula…"*** A formula for an inflationary adjustment is therefore included as part of the maximum assessment within the Districts that allow for such, and was approved by the property owner(s) at the time of formation/annexation. The formula, as described below, allows for annual adjustments to the assessments.

Generally, any new or increased assessment requires certain noticing and meeting requirements by law. The Brown Act excludes certain conditions of a new or increased assessment. These conditions include, "An assessment that does not exceed an assessment formula or range of assessments previously specified in the notice given to the public…and that was previously adopted by the agency…"

The initial maximum assessment for each District was established at the time of formation/annexation. The Brittany Woods, Rhapsody Unit 1, Santa Fe Estates Phase 1, Santa Fe Estates Phase 2, Starn Estates, Sun Glow Estates and Walnut Haven III Districts however, do not have an inflationary adjustment. These Districts were created prior to the adoption of Proposition 218 in 1996 and did not include a provision to increase the initial maximum assessment. The initial maximum assessments for the remaining Districts have been adjusted each fiscal year subsequent to the year of formation by the following Assessment Range Formula:

- The Maximum Assessment Rate allowed each fiscal year (the "Adjusted Maximum Assessment Rate") shall be based on the initial maximum assessment, adjusted annually by Bureau of Labor Statistics, Consumer Price Index for the month of February, All Urban Consumers, ("CPI") for the San Francisco/Oakland/San Jose area, plus 3%. Should the Bureau of Labor Statistics revise or discontinue the preparation of such index, the City reserves the right to use such revised index or a comparable system to determine fluctuations in the annual cost of living.
- Each fiscal year, the February CPI amount, plus 3% has been applied to the Maximum Assessment Rate established the previous fiscal year to calculate the appropriate Adjusted Maximum Assessment Rate for the then current fiscal year.
- If the proposed annual assessment rate for the upcoming fiscal year is less than or equal to the Adjusted Maximum Assessment Rate established for that fiscal year, then the proposed annual assessment is not considered an increased assessment.

Beginning in the second fiscal year after the formation of a District, the Maximum Assessment Rate has been recalculated and a new Maximum Assessment Rate (Adjusted Maximum Assessment Rate) has been established for each fiscal year using the Assessment Range Formula described above. The Adjusted Maximum Assessment Rate has been calculated independent of the annual budget and proposed assessment rate for the given fiscal year. As stated above, if the proposed annual assessment for any fiscal year does not exceed the Adjusted Maximum Assessment Rate for that year, it is not considered an increased assessment under the terms of Proposition 218.

The CPI increase for the one-year period ending in February 2022 is 5.12% (rounded). This amount, plus 3%, will be applied to the Maximum Assessment for the Central Hughson, Euclid North, Euclid South, Feathers Glen, Fontana Ranch North, Fontana Ranch South, Rhapsody II and Sterling Glen III Districts only, which will establish the Adjusted Maximum Assessment for each of these Districts for Fiscal Year 2022-23. The 2022-23 Maximum Assessment for each of these Districts is shown on the budget pages in Section III of this Report.

As stated above, the Brittany Woods, Rhapsody Unit 1, Santa Fe Estates Phase 1, Santa Fe Estates Phase 2, Starn Estates, Sun Glow Estates and Walnut Haven III Districts, do not currently have an inflationary adjustment.

To impose a new assessment or increased assessment in excess of the Maximum Assessment Rate for the current fiscal year, as provided by the preceding Assessment Range Formula, the City must comply with the provisions of the California Constitution, Article XIII D, Section 4c that requires a public hearing and certain protest procedures including mailed notice of the public hearing and property owner protest balloting. Property owners must approve the proposed new or increased assessment via a property owner protest balloting process before any such new or increased assessment can be imposed. A protest occurs when, at the public hearing, the returned assessment ballots opposed to the new or increased assessment outweigh the returned ballots in favor of the new or increased assessment, weighting those assessment ballots by the financial obligation of each parcel.

The definition of new or increased assessments includes any assessment which, 1) did not previously exist or, 2) exceeds a previously approved assessment amount or assessment range formula which has been adopted by the agency and approved by the property owners in the area where the assessment is imposed.

ASSESSMENT METHODOLOGY

The benefit formula used to determine the financial obligation for each parcel should be based on the improvements benefitting the parcels, as well as the use, or type, of each parcel as compared to other parcels that benefit from said improvements. One of the more common approaches to fairly distributing District costs to the benefitting parcels in maintenance districts such as this utilizes a methodology referred to as the Per Parcel method of apportionment. This method recognizes that each parcel within a particular District benefits equally from the improvements. This is typical when all parcels within the District are of the same type (ex. all single family dwellings).

Other than Central Hughson, each District is comprised of a single parcel type – residential. The residential parcels are single-family residential parcels ("SFR") and as such are deemed to benefit equally from the improvements. The "Total Balance to Levy", as shown on the Budget pages, is divided equally among each assessable parcel within the District, determining the annual assessment rate per parcel for that District.

The Central Hughson District is comprised of several property types including single-family residential, commercial, agriculture and vacant. The costs are spread to those parcels based on the individual parcel size.

APPENDIX A – ASSESSMENT ROLL

Assessment Roll

Parcel Identification for each lot or parcel within the Districts shall be based on available parcel maps and other property data from the Stanislaus County Assessor's office as they existed at the time this Report was prepared and adopted by the City Council.

A listing of parcels assessed within each District for Fiscal Year 2022-23, along with the corresponding assessment amounts, is included on the following pages. If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel(s) shall be based on the method of apportionment and assessment rate approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the assessment amounts applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.

Non-assessable lots or parcels include areas of public streets and other roadways (typically not assigned an APN by the County); dedicated public easements, open space areas and rights-of-way, including public greenbelts and parkways; utility rights-of-way; common areas; landlocked parcels; small parcels vacated by the County, bifurcated lots and any other property that cannot be developed or has specific development restrictions. These types of parcels are considered to receive little or no benefit from the improvements and are therefore, exempted from assessment

PART III - DISTRICT DIAGRAMS

District Diagrams

The boundaries of Districts are shown on the maps in Appendix B. The lines and dimensions of each lot or parcel within the Districts are those lines and dimensions as shown on the maps of the Stanislaus County Assessor for the year in which this Report was prepared and are incorporated by reference herein and made part of this Report.

PART IV – METHOD OF APPORTIONMENT

Method of Apportionment

The 1982 Act allows for the establishment of assessment districts, by public agencies, for the purpose of providing certain public improvements as detailed in Section I of this Report. The 1982 Act also complies with the California Constitution which requires the cost of these improvements and services to be assessed based on benefit received rather than by assessed value of the properties being assessed. In accordance with Article XIII D, Section 4 of the California Constitution:

> *"An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of the public improvement or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel. Only special benefits are assessable…"*

The method of apportionment described in this Report, and confirmed by the City Council, utilizes commonly accepted engineering practices which have been established pursuant to the 1982 Act and the California Constitution for the allocation of special benefit assessments. The calculation of assessments is based upon the parcel type and the services and improvements provided to equitably apportion the costs based on the special benefit received by each lot or parcel. The special benefit received by each lot or parcel is over and above any general benefit conferred upon said lots or parcels or to the public at large.

DESCRIPTION OF BENEFIT

Special Benefit

The improvements and associated costs have been carefully allocated to the assessable properties within the District based on the special benefit received by those properties, pursuant to the provisions of the California Constitution. The improvements for which the properties will be assessed have been identified as necessary, were required as a part of the development plans specifically for the tract and are also in compliance with the development plans and General Plan of the City. As such, the improvements and continuing maintenance and servicing are strictly the obligation of the properties within the District.

Definition of Special Benefit

The method of apportionment described in this Report is based on the premise that each assessable lot or parcel receives distinct and special benefits from the improvements and services provided, including the visual desirability provided by well-maintained landscaping. In accordance with Article XIII D, Section 4 of the California Constitution:

> *"Special benefit means a particular and distinct benefit over and above general benefits conferred on real property located in the District or the public at large"*

Some of the special benefits associated with local landscaping and lighting improvements are:

- Enhanced desirability of properties due to existence of the improvements and the services provided by the District.
- Improved aesthetic appeal provided by a positive representation of the development, neighborhood and the community.
- Improved ingress and egress to property resulting in enhanced traffic flow, reduced traffic accidents and possible property damage.

ASSESSMENT RANGE FORMULA

It is generally recognized that most budgetary items will be impacted by inflation in future years. In accordance with the California Constitution, Section 53739 (b)(1), assessments ***"may be adjusted for inflation pursuant to a clearly defined formula…"*** A formula for an inflationary adjustment is therefore included as part of the maximum assessment within the Districts that allow for such, and was approved by the property owner(s) at the time of formation/annexation. The formula, as described below, allows for annual adjustments to the assessments.

Generally, any new or increased assessment requires certain noticing and meeting requirements by law. The Brown Act excludes certain conditions of a new or increased assessment. These conditions include, "An assessment that does not exceed an assessment formula or range of assessments previously specified in the notice given to the public…and that was previously adopted by the agency…"

The initial maximum assessment for each District was established at the time of annexation into the District. That initial maximum assessment was established at that time and has been adjusted each subsequent fiscal year by the following Assessment Range Formula:

- The Maximum Assessment Rate allowed each fiscal year (the "Adjusted Maximum Assessment Rate") shall be based on the initial maximum assessment, adjusted annually by Bureau of Labor Statistics, Consumer Price Index for the month of February, All Urban Consumers, ("CPI") for the San Francisco/Oakland/San Jose area, plus 3%. Should the Bureau of Labor Statistics revise or discontinue the preparation of such index, the City reserves the right to use such revised index or a comparable system to determine fluctuations in the annual cost of living.

- Each fiscal year, the February CPI amount, plus 3% has been applied to the Maximum Assessment Rate established the previous fiscal year to calculate the appropriate Adjusted Maximum Assessment Rate for the then current fiscal year.

- If the proposed annual assessment rate for the upcoming fiscal year is less than or equal to the Adjusted Maximum Assessment Rate established for that fiscal year, then the proposed annual assessment is not considered an increased assessment.

Beginning in the second fiscal year after the formation of a District, and each fiscal year since, the Maximum Assessment Rate has been recalculated and a new Maximum Assessment Rate (Adjusted Maximum Assessment Rate) has been established for each fiscal year using the Assessment Range Formula described above. The Adjusted Maximum Assessment Rate has been calculated independent of the annual budget and proposed assessment rate for the given fiscal year.

As stated above, if the proposed annual assessment for any fiscal year does not exceed the Adjusted Maximum Assessment Rate for that year, it is not considered an increased assessment under the terms of Proposition 218 or the Brown Act.

The CPI increase for the one-year period ending in February 2022 is 5.12% (rounded). This amount plus 3% will be applied to the Maximum Assessment for each District, which will establish the Adjusted Maximum Assessment for each District for Fiscal Year 2022-23.

Please refer to the table on page 1 of this Report, "Benefit Assessment Districts Summary", which shows the actual and maximum allowable assessment for each District for the past two years.

This amount will be applied to the Maximum Assessment for each District, which will establish the Adjusted Maximum Assessment for each District for Fiscal Year 2022-23.

To impose a new assessment or increased assessment in excess of the Maximum Assessment Rate for the current fiscal year, as provided by the preceding Assessment Range Formula, the City must comply with the provisions of the California Constitution, Article XIII D, Section 4c that requires a public hearing and certain protest procedures including mailed notice of the public hearing and property owner protest balloting. Property owners must approve the proposed new or increased assessment via a property owner protest balloting process before any such new or increased assessment can be imposed. A protest occurs when, at the public hearing, the returned assessment ballots opposed to the new or increased assessment outweigh the returned ballots in favor of the new or increased assessment, weighting those assessment ballots by the financial obligation of each parcel.

The definition of new or increased assessments includes any assessment which, 1) did not previously exist or, 2) exceeds a previously approved assessment amount or assessment range formula. Any assessment range formula must have been previously adopted by the agency and approved by the property owners in the area where the assessment is imposed.

ASSESSMENT METHODOLOGY

The benefit formula used to determine the financial obligation for each parcel should be based on the improvements benefitting the parcels, as well as the use, or type, of each parcel as compared to other parcels that benefit from said improvements. One of the more common approaches to fairly distributing District costs to the benefitting parcels in maintenance districts such as this utilizes a methodology referred to as the Per Parcel method of apportionment. This method recognizes that each parcel within a particular District benefits equally from the improvements. This is typical when all parcels within the District are of the same type (ex. all single-family dwellings).

Other than Central Hughson and the Sterling Glen III annexation, each District is comprised of a single parcel type – residential. The residential parcels are single-family residential parcels ("SFR") and as such are deemed to benefit equally from the improvements. The "Total Balance to Levy", as shown on the Budget pages, is divided equally among each assessable parcel within the District, determining the annual assessment rate per parcel for that District.

The Central Hughson District is comprised of several property types including single-family residential, commercial, agriculture and undeveloped. The costs are currently spread to those parcels based on the individual parcel size. The Sterling Glen III Annexation is comprised of five single-family residential parcels.

APPENDIX A – ASSESSMENT ROLL

Assessment Roll

Parcel Identification for each lot or parcel within the Districts shall be based on available parcel maps and other property data from the Stanislaus County Assessor's office as they existed at the time this Report was prepared and adopted by the City Council.

A listing of parcels assessed within each District for Fiscal Year 2022-23, along with the corresponding assessment amounts, is included on the following pages. If any parcel submitted for collection is identified by the County Auditor/Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel(s) shall be based on the method of apportionment and assessment rate approved in this Report. Therefore, if a single parcel has changed to multiple parcels, the assessment amounts applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and assessment rate rather than a proportionate share of the original assessment.

Non-assessable lots or parcels include areas of public streets and other roadways (typically not assigned an APN by the County); dedicated public easements, open space areas and rights-of-way, including public greenbelts and parkways; utility rights-of-way; common areas; landlocked parcels; small parcels vacated by the County, bifurcated lots and any other property that cannot be developed or has specific development restrictions. These types of parcels are considered to receive little or no benefit from the improvements and are therefore, exempted from assessment

INTERGOVERNMENTAL COOPERATION AGREEMENT
STANISLAUS URBAN COUNTY
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
Three Year Agreement
October 1, 2023 To September 30, 2026

This Intergovernmental Cooperation Agreement for the Stanislaus Urban County Community Development Block Grant Program for Federal Fiscal Years ("**FY**") 2023-2025 (which begins on October 1, 2023 and ends on September 30, 2026) ("**Agreement**") is made and entered into this 9th day of June, 2022, by and between the Cities of Ceres, Hughson, Newman, Oakdale, Patterson, Riverbank and Waterford, each a municipal corporation of the State of California (individually a "**City**" and collectively, "**Cities**") and Stanislaus County through its Department of Planning and Community Development (the "**County**"). The Cities and the County are collectively referred to herein as the "**Parties**"; and, individually, a "**Party**".

WITNESSETH

WHEREAS, in 1974, the U.S. Congress enacted and the President signed a law entitled The Housing and Community Development Act of 1974, herein called the "**Act.**" The Act is omnibus legislation relating to federal involvement in a wide range of housing and community development activities and contains eight separate titles; and

WHEREAS, Title I of the Act is entitled "Community Development" and governs programs for housing and community development within metropolitan cities and urban counties or communities by providing financial assistance annually for area-wide plans and for housing, public services and public works programs; and

WHEREAS, the Community Development Block Grant Program (hereinafter referred to as "**CDBG**"), the HOME Investment Partnerships Act Program (hereinafter referred to as "**HOME Program**"), and the Emergency Solutions Grants Program (hereinafter referred to as "**ESG**") are consolidated under Title I of the Act (collectively, the "**Programs**"); funds from the Programs are referred to herein as "**Program Funds**"; and

WHEREAS, the Stanislaus Urban County (hereinafter referred to as "**Urban County**") formed in 2000 to receive entitlement CDBG and ESG funds. The Urban County includes the unincorporated areas of Stanislaus County and the cities of Ceres, Hughson, Newman, Oakdale, Patterson, Riverbank and Waterford; and

WHEREAS, since 1991, Stanislaus County has been a member jurisdiction in the City of Turlock/Stanislaus HOME Consortium (hereinafter referred to as the "**Consortium**") to obtain a direct allocation of funds under the Cranston-Gonzalez National Affordable Housing Act of 1990. The Consortium includes the City of Turlock and all of the Urban County participants. In 2022, the City of Turlock notified the County that it was withdrawing as Lead Agency for the Consortium effective September 30, 2022. The County has agreed to take over as Lead Agency for the Consortium effective October 1, 2022; and

WHEREAS, because Turlock opted out of the Urban County, Turlock is not entitled to receive any Program Funding under this Agreement. However, the County and the Cities of Ceres, Hughson, Newman, Oakdale, Patterson, Riverbank, Turlock and Waterford have entered into or will enter into a separate Consortium Agreement relating to funding through the HOME Program ("**Consortium Agreement**"); and

WHEREAS, the CDBG regulations issued pursuant to the Act provide that qualified urban counties must submit an application to the HUD for Program Funds, and cities and smaller communities within the metropolitan area not qualifying as metropolitan cities may join the County in said application and thereby become a part of a more comprehensive County effort; and

WHEREAS, to have their populations counted and to be eligible for an allocation of grant funding, the Cities desire to participate jointly with the County in the Programs; and

WHEREAS, as the Urban County applicant, the County must take responsibility and assume all obligations of an applicant under federal statues, including: the analysis of needs, the setting of objectives, the development of community development and housing assistance plans, the consolidated plan, and the assurances of certifications; and

WHEREAS, by executing this Agreement, the Parties hereby give notice of their intention to participate in the Programs.

NOW THEREFORE, in consideration of the mutual promises, recitals and other provisions hereof, the Parties agree as follows:

1. **Scope of Agreement**. This Agreement covers the CDBG Entitlement program and, where applicable, the HOME Investment Partnerships (HOME) and Emergency Solutions Grants (ESG) Programs (i.e., where the Urban County receives funding under the ESG program, or receives funding under the HOME program as an urban county or as a member of a HOME consortium).

2. **Full Cooperation and Affordable Housing**. The County and the Cities, each as a cooperating unit of general local government, agree to cooperate to undertake, or assist in undertaking, community renewal and lower-income housing assistance activities.

3. **Term of Agreement**.

a. The term of this Agreement shall be for a period of three (3) years commencing on October 1, 2023 and ending on September 30, 2026 (Federal FY 2023-2025), for the County/City program years commencing on July 1, 2023 and ending on June 30, 2026.

b. This Agreement shall remain in effect until the CDBG (and, where applicable, HOME and ESG) funds and program income received with respect to activities carried out during the three-year qualification period are expended and the funded activities completed. The County

and each City cannot terminate or withdraw from this Cooperation Agreement while it remains in effect.

c. By the date specified in HUD's Urban County qualification notice for the next three year qualification period, the Urban County will notify the City in writing of its right not to participate. A copy of the County's notification to the jurisdiction must be sent to the HUD Field Office by the date specified in the Urban County qualification schedule.

4. **Responsible Officers.** The County's Chief Executive Officer is the responsible officer for the County, and the Director of the Stanislaus County Department of Planning and Community Development (hereinafter referred to as "**Director**") is hereby authorized to implement and administer Program activities and requirements on behalf of the County. The City Manager or his/her designee for each City is hereby authorized to act as the responsible officer for each City under the Programs.

5. **Cities as Subrecipients.**

a. Pursuant to the Act and 24 CFR 570.501(b), each City is subject to the same requirements applicable to subrecipients as set forth in 24 CFR 570.503. Where a City carries out an eligible activity funded by the Urban County, the Urban County and the City shall, prior to disbursing any Program Funds for any such activity or project, execute a written Subrecipient Agreement containing the minimum requirements found at 24 CFR 570.503. The Subrecipient Agreement must remain in effect during any period that the unit of local government has control over CDBG funds, including program income.

b. The written Subrecipient Agreement between the County and each City shall specify whether program income received is to be returned to the County or retained by the City. Where program income is to be retained by the City, the Subrecipient Agreement shall specify the activities that will be undertaken with the program income and that all provisions of the written agreement shall apply to the specified activities. (See 24 CFR 570.504).

6. **Acknowledgement by Cities.** By executing this Agreement, each City understands that it a) may not apply for grants from appropriations under the State CDBG Program for the fiscal years during the period in which it participates in the Urban County's CDBG program; and b) may receive a formula allocation under the HOME Program only through the Urban County.

7. **Ad Hoc Committee and Panel.**

a. Each Party to this Agreement (i.e., the governing body or its designee) shall designate one individual from its staff to serve on the ad hoc Technical Committee and the ad hoc Ranking Panel (each, a "**Designated Representative**"). An alternate may be designated to serve if the Designated Representative is unable to attend. Each Designated Representative shall act on behalf of and in an advisory capacity to its respective jurisdiction.

b. An ad hoc Technical Committee consisting of one (1) Designated Representative from the County and one (1) Designated Representative from each participating City may meet from time to time to review, aid in development, and provide recommendations on policies, procedures, and documentation required by HUD for the implementation and administration of Program Funds. The Technical Committee will facilitate distribution of information to residents within their respective jurisdictions and the opportunity to participate in the development of programs and priorities.

c. An ad hoc Ranking Panel consisting of (1) representative from the County, one (1) Designated Representative from each participating City may meet from time to time to review, evaluate, and rank projects proposing to be funded with Program Funds. The Panel shall convene as determined necessary by the County. Panel rankings will be used by the County in making recommendations for allocation and awarding of funding.

8. **Consolidated Plan**.

a. Each City shall assist the County by participating in the preparation of a Consolidated Plan pursuant to 24 CRF 91.1-91.600, which identifies community development and housing needs, projects and programs for each City, and specifies both short and long-term City objectives, consistent with requirements of the Act. The County agrees to: (1) include City projects the program application, and (2) take into consideration each City's priorities as submitted by each City.

b. The County has final responsibility for selecting CDBG (and, where applicable, HOME and ESG) activities and submitting the Consolidated Plan to HUD. However, since the County is a member of a HOME Consortium, as the lead Agency the County will approve the Plan for the entire geographic area encompassed by the Consortium prior to its submittal to HUD. The Parties hereto agree that the responsible entity with the final responsibility for analyzing needs, setting objectives, developing plans, selecting projects for community development and housing assistance, selecting CDBG Public Service and ESG programs to be funded, and filing the Consolidated Plan, and other plans and reports required by the Act, is the County.

c. Each City understands and agrees that the County shall have final responsibility for selecting the Program activities and projects to be included in each annual grant request and project grant request and for filing the Consolidated Plan with HUD on an annual basis.

d. During the period of time during which the County has qualified as an Urban County, the Parties agree not to veto or otherwise obstruct the implementation of the approved Consolidated Plan during that three-year period and for such additional time as may be required for the expenditure of funds granted for that period.

9. **Grant Eligibility**. The Parties acknowledge that they shall not be eligible to apply for grants under the Small Cities or State CDBG Programs for appropriations for fiscal years during

which the Parties are participating in the Urban County CDBG entitlement program; and further, each City shall not be eligible to participate in the HOME, or ESG Programs except through the Urban County or the Consortium Agreement.

10. **County Responsibility.**

a. The County shall, as applicant, be responsible for holding meetings and preparing and submitting the required plans and applications for CDBG, HOME and ESG Program Funding as required by the Act and the applicable federal regulations.

b. The County shall be the primary general-purpose local governmental unit pursuant to the Act. The County shall apply for grants, execute grant agreements, administer all funds received, and undertake or assist in undertaking essential community development and housing assistance activities. The County shall have the authority to carry out activities which will be funded from annual Program Funds covered by this Agreement. Records shall be kept by County in accordance with approved accounting procedures and said records shall be available for public inspection at all times. The County shall be responsible thereunder for the proper performance, implementation or monitoring of the plans and the Programs.

c. The environmental effects of activities carried out with Program Funds must be assessed in accordance with the provisions of the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321) and the related authorities listed in HUD's implementing regulations at 24 CFR parts 50 and 58. The County is the responsible entity for the environmental review and each City agrees to assist the County by securing all information and documentation relating to projects within their respective jurisdictions under the National Environmental Policy Act (NEPA) and the California Environmental Quality Act (CEQA), if required, including paying for consulting services and technical evaluations, and providing the same to the County for final review and approval.

11. **City Responsibilities.**

a. Each City agrees to undertake the necessary actions to support the County's efforts to obtain Program Funding, and to meet the requirements of the Programs under the Act and the applicable laws and regulations.

b. Each City agrees to act in good faith and with due diligence in performance of City obligations and responsibilities under this Agreement and under the Consortium Agreement (when applicable), the Allocation Agreement(s), Subrecipient Agreement(s) and all Grant Agreements (collectively, **Program Agreements**").

12. **Compliance with Urban County Certification and Applicable Laws.**

a. The County and each City agrees to take all actions necessary to assure compliance with the Urban County's certification under section 104(b) of Title I of the Housing and Community Development Act of 1974, that the grant will be conducted and administered in conformity with Title VI of the Civil Rights Act of 1964, and the implementing regulations at 24 CFR part 1, and the Fair Housing Act, and the implementing regulations at 24 CFR part 100, and will affirmatively further fair housing. See 24 CFR § 91.225(a) and Affirmatively Furthering Fair Housing Definitions and Certifications (86 FR 30779, June 10, 2021), to be codified at 24 CFR 5.151 and 5.152, available at https://www.federalregister.gov/documents/2021/06/10/2021-12114/restoring-affirmativelyfurthering-fair-housing-definitions-and-certifications. The County and the Cities also agree to comply with other applicable laws. This Agreement prohibits Urban County funding for activities that do not affirmatively further fair housing within its own jurisdiction or that impede the County's actions to comply with the County's fair housing certification.

13. **Program Funding**

a. All funds received by the County pursuant to this Agreement shall be identified and allocated pursuant to HUD regulations and as described in the Annual Action Plan to the specific HUD approved projects or activities; provided, however, that a different distribution may be made when required by HUD to comply with Title I of the Housing and Community Development Act of 1974, as amended.

It is understood by the Parties, hereto, the Program funds being used for the purposes of this Agreement are funds furnished to the County, through HUD, pursuant to the provisions of the Act. Notwithstanding any other provision of this Agreement, the liability of the County shall be limited to Program funds actually received by the County. Each City understands that the County must wait for release of Program funds from HUD before the funds may be distributed. The County shall incur no liability to any City, its officers, agents, employees, suppliers, or contractors for any delay in making any such payments. All requests for payment requests must be made on forms approved by HUD and the County, with supporting documentation required by HUD and the County.

c. Program Administrative Costs may be allocated pursuant to 24 CFR 570.206 and applicable laws and regulations.

14. **Public Services.** An amount not to exceed fifteen (15) percent of the total annual CDBG funds, may be allocated for eligible public services, as defined in 24 CFR 570.201, and related projects. Eligible public services (labor, supplies, and materials) include but not limited to those concerned with employment, crime prevention, child care, health, drug abuse, education, fair housing counseling, energy conservation, welfare (but excluding the provision of income payments identified under 24 CFR 570.207(b)(4)), homebuyer down payment assistance, or recreational needs. a. Program income shall be tracked received, expended and reported as required by 24 CFR 570.504 and applicable laws and regulations.

b. The County shall monitor the use of any program income. Each City shall maintain appropriate record-keeping and provide prompt reporting of program income.

16. **Change in Use of Property**. A City shall obtain the County's prior written approval to modify or change the use of real property acquired or improved in whole or in part using Program Funds, to a use which was not contemplated at the time of acquisition or improvement, including disposition. Such notification shall be made within six (6) months before the effective date of such proposed change of use, and any change in use shall comply with the provisions of 24 CFR 570.505.

17. **Fair Housing Implementation**. The Parties agree no Program funding shall be allocated or expended for activities in or in support of any cooperating unit of general local government that does not affirmatively further fair housing within its own jurisdiction or that impedes the County's actions to comply with its fair housing certification.

18. **Claims and Indemnification.**

a. To the fullest extent permitted by law, a Party (including its employees, agents, elected officials and volunteers) whose act, omission, negligence, misconduct or other fault gives rise to any claim, loss, liability, cost or expense, including, but not limited to, reasonable attorneys' fees, court costs, penalties, claims for reimbursement and sanctions (hereinafter collectively referred to as "claims"), made by HUD or any third party shall defend and hold harmless the other Parties from and against any and all such claims.

b. Each City agrees to indemnify and hold harmless the County and each of their respective officers, directors, agents, designated representatives, employees and affiliates ("Indemnified Parties") from any all claims arising out of, or in any way related to any its negligence or wrongful acts, breach or failure to comply with the terms and conditions of this Agreement or the Program Agreements, or failure to comply with applicable law. The obligations under this provision are independent of all other rights or obligations set forth herein. This

indemnification provision shall survive the disbursement of the Award funds, as well as any termination of this Agreement or the Program Agreements.

19. **Audit**. Each City agrees to cooperate, at no cost to the County, in any audit of Program activities involving Program Funds received by that City, including not limited to preparing appropriate financial statements, including the schedule of expenditures of Federal awards in accordance with 24 CFR 200.510; promptly follow up and take corrective action on audit findings; comply with any corrective action plans issued in connection with the audit; and provide the auditor with access to personnel, accounts, books, records, supporting documentation, and other information as needed for the auditor to perform the audit required applicable regulations.

21. **Consolidated and Further Continuing Appropriations Act**. No City may sell, trade, or otherwise transfer all of any portion of Program funds to another metropolitan city, Urban County, unit of general local government, or Indian tribe, or insular area that directly or indirectly receives Program funds in exchange for any other funds, credits or non-Federal considerations, but must use such funds for activities eligible under Title I of the Act.

22. **Allocation Agreement**. For each fiscal year during the term of this Agreement, the County and each City may enter into an Annual Allocation Agreement, prepared jointly by the County and each City, which identifies the City's annual allocation of Program funds that the County will administer during that program year. The reimbursements made shall not exceed the amount of the annual allocation.

23. **Amendments**. Any amendments to this Agreement shall be in writing. Parties agree any such fully executed amendment or amendments to this Agreement may be entered into at any time if required or necessary to implement the plans contemplated hereunder, or to comply with any related grant agreement or the regulations issued pursuant to the Act. Periodically, statutory or regulatory changes may require the County to amend this Agreement to add the new provision(s). The County may draft a separate amendment to its existing agreements that includes the new provision(s) rather than drafting a new Cooperation Agreement that contains the new provisions. However, the separate amendment must be executed by the City Manager of each of the Cities or his/her designee.

STANISLAUS
HOME INVESTMENT PARTNERSHIPS PROGRAM
CONSORTIUM AGREEMENT
One Year Agreement
October 1, 2022 To September 30, 2023

This Stanislaus Home Investment Partnerships Program Consortium Agreement ("**Agreement**") is between the Cities of Ceres, Hughson, Newman, Oakdale, Patterson, Riverbank, Turlock and Waterford, each a municipal corporation of the State of California (individually a "**City**" and collectively, "**Cities**") and Stanislaus County through its Department of Planning and Community Development (the "**County**"). The Cities and the County are collectively referred to herein as the "**Consortium**," or the "**Stanislaus HOME Consortium**," or the "**Parties**"; and, individually, "**Consortium Member**" or "**Party**".

WHEREAS, Parties agree that it is desirable and in the interests of their citizens to secure approval by the federal government to be considered as a consortium under the federal HOME Program operated by the U.S. Department of Housing and Urban Development ("**HUD**") as authorized under the HOME Investment Partnerships Act, Title II of the Cranston-Gonzalez National Affordable Housing Act of 1990, as amended (hereafter collectively referred to as the "**Act**"); and,

WHEREAS, Title II of the Act creates the Home Investment Partnerships Program (hereinafter "**HOME**") that provides funds to states and local governments for acquisition, rehabilitation, new construction of affordable housing, and tenant-based rental assistance; and

WHEREAS, the Act provides that units of local government that are geographically contiguous may form a consortium for the purposes of receiving an allocation to participate in the HOME Investment Partnerships Program (hereinafter "**HOME Program**") to be funded by HUD; and,

WHEREAS, the proposed level of federal funding is unlikely to provide grants to individual municipalities, but by cooperating in a consortium they may as a group become eligible participants in the HOME Program; and,

WHEREAS, the consortium of geographically contiguous local governments has notified HUD of their intention to participate in the HOME Program; and,

WHEREAS, this Agreement constitutes an intergovernmental agreement under California law which meets the criteria pursuant to 24 CFR Part 92.101, and the Consortium Members are authorized to enter into and adopt this Agreement by their respective legislative bodies; and,

WHEREAS, the Parties wish to enter into this Agreement to authorize the County to act in a representative capacity for the Cities for the purposes of ensuring that the Consortium's HOME Program is carried out in compliance with the requirements of 24 CFR Part 92 (24 CFR 92.101(a)(2)(ii); and,

WHEREAS, under 24 CFR 92.101, the Consortium's qualification as a unit of general local government generally continues for a period of three successive federal fiscal years. As required

by applicable regulations, to align the Community Development Block Grant (hereinafter "**CDBG**") and HOME qualification cycles, the parties agree that the term of this agreement shall for a period of one (1) year, from October 1, 2022 to September 30, 2023;

NOW, THEREFORE, the Parties hereby enter into this Agreement for the purposes of receiving an allocation from the HOME Program and agree to cooperate to undertake or to assist in undertaking housing assistance activities for the HOME Program.

1. **Consortium**. This Consortium shall be known as the Stanislaus HOME Consortium. The Consortium Members agree to cooperate to undertake or assist in housing assistance activities for the HOME Program, and affirmatively support and enforce fair housing laws and regulations.

2. **Lead Agency**. The County shall be designated as Lead Agency of the Consortium to act in a representative capacity for all member units for the purposes of the HOME Program. The County will assume overall responsibility for ensuring that the Consortium's HOME Program Activities are carried out in compliance with HOME rules, including requirements relating to the Consolidated Plan. No Member of the Consortium may obstruct the implementation of the Consortium's approved Consolidated Plan.

3. **Designated Representatives.**

a. Each Consortium Member (i.e., the governing body or its designee) shall designate one individual from its staff to serve on the ad hoc Technical Committee and the ad hoc Ranking Panel (each, a "**Designated Representative**"). An alternate may be designated to serve if the Designated Representative is unable to attend. Each Designated Representative shall act on behalf of and in an advisory capacity to its respective jurisdiction. Additionally, each Consortium Member may select one (1) member of the public within its jurisdiction with experience and knowledge relating to affordable housing to serve on the ad hoc Ranking Panel ("**Public Representatives**").

b. An ad hoc Technical Committee consisting of one (1) Designated Representative from the County and one (1) Designated Representative from each participating City will meet from time to time to review, aid in development, and provide recommendations on policies, procedures, and documentation required by HUD for the implementation and administration of the HOME Program. The Technical Committee will facilitate distribution of information to residents within the respective jurisdictions of the HOME Consortium concerning community housing needs and the opportunity to participate in the development of programs and priorities.

c. An ad hoc Ranking Panel consisting of (1) representative from the County, one (1) Designated Representative from each participating City, and selected Public Representatives, will meet from time to time to review, evaluate, and rank proposals for designation of a CHDO and projects proposing to be funded with HOME funds. The Panel shall convene as determined necessary by the County. Panel rankings will be used by the County in making recommendations for allocation and awarding of funding. The representatives from local agencies shall be selected by the County with input from the Technical Committee.

4. **One Year Qualification Period.**

a. This Agreement is for funding HOME Program activities for the 2022/2023 federal fiscal years (October 1, 2022 to September 30, 2023) or until the HOME program funds for the one-year qualification period are closed out pursuant to 24 CFR 92.507, whichever is later. In accordance with 24 CFR 91.402, all units of general government that are Consortium Members must be on the same program year that starts on each July 1st for CDBG, HOME, and Emergency Solutions Grants programs ("**ESG**").

b. Although the current qualification period for the Consortium is one (1) year, members have an obligation to abide by HOME requirements throughout the period of affordability for funded projects.

5. **Program Year.** The Program Year for the start date for the Consortium is the commencement of the fiscal year of the Consortium Members, which begins on July 1, 2022.

6. **Consolidated Plan.** The County, on behalf of this Consortium, shall submit to HUD a single, unified Consolidated Plan, which describes the Consortium's strategy for addressing housing, homeless and supportive housing needs and Citizen Participation Plan. The Consortium shall also submit to HUD Annual Action Plans, Consolidated Annual Performance and Evaluation Reports ("**CAPERs**") and other reports, as required by HUD. Per regulation, all Consortium plans and reports shall contain goals and accomplishments for the Consortium.

7. **Allocation of Funds.**

a. The Consortium Members shall be notified by the County of the availability of HOME Program funds for the Consortium. These funds shall be allocated to individual Consortium Members and will be required to be committed to an approved project within six (6) months from July 1 of each year, unless such deadline is extended by the County. An approved project shall be a project included within a HUD certified Annual Action Plan approved by the County. Funds will be considered committed if they are under a fully executed agreement that has been reviewed by and determined adequate by the County, and the environmental determination for the project has been certified by the County. All proposed projects will be submitted to the County for the upcoming fiscal year by January 1 of each year. A City shall not proceed to commit funds without the County's approval of the project and completion of the environmental review. If funds are not committed within the deadline established by the County, then the funds shall revert back to the County for use in an eligible HUD program as determined by the County.

b. If a Consortium Member opts not to accept its annual pro rata share of available HOME Program funds, it must provide written notification to the County. The allocation will be redistributed among all remaining HOME Consortium Members per their pro rata share. A Consortium Member that returns its allocation remains a member of the Consortium.

c. When a shared consultant/service provider is hired on behalf of the Consortium, the costs will be shared on a pro-rata basis. This share will be calculated based on the annual Consortium Members' collective annual HOME allocation. Consortium Member's pro-rata annual

HOME allocation will be reduced by each Consortium Member's cost share. The decision to hire shared consultants/service providers shall be at the sole discretion of the County.

8. **Program Income.**

a. Program income must be deposited in the participating jurisdiction's HOME Investment Trust Fund local account unless the participating jurisdiction permits the subrecipient to retain the program income for additional HOME projects pursuant to the written agreement required by 24 CFR 92.503 and 504.

b. The County shall be responsible to track and determine the use of any Program Income it receives in accordance with applicable laws and regulations (See 24 CFR 92.503(a)).

9. **Matching Funds.** Each Consortium Member will be responsible for providing its pro-rata share of matching non-federal funds not previously used each time it makes a draw against its allocation of federal funds from the HOME Program (See 24 CFR 92.218).

10. **Non-Appropriation.** In the event funds are not appropriated to the HOME program, HUD guidance shall be followed. If grant closeout is required, the County will be responsible for grant close-out, and each City shall cooperate in the effort. The Consortium Members will be responsible for maintaining compliance on previous HOME-funded units.

11. **County's Responsibilities.** Each City hereby authorizes the County to act on its behalf in any way required to comply with this Agreement and applicable laws and regulations. The County shall have final responsibility for selecting the program activities and projects to be included in each annual grant request and project grant request and for filing the Consolidated Plan with HUD on an annual basis. The County agrees to:

a. Prepare the Consortium's Five-Year Consolidated Plan and Annual Action Plans.

b. Prepare the Consortium's CAPER.

c. Prepare applications, request for proposals, and contract templates for Community Housing Development Organizations ("**CHDO**"). Publish Public Notices on CHDO funds.

d. Monitor Consortium Members and CHDOs and prepare monitoring tools. The County has the right and responsibility to monitor and assure compliance with all HOME requirements during the project implementation and the affordability period.

STANISLAUS
HOME INVESTMENT PARTNERSHIPS PROGRAM
CONSORTIUM AGREEMENT
Three Year Agreement
October 1, 2023 To September 30, 2026

This Stanislaus Home Investment Partnerships Program Consortium Agreement ("**Agreement**") is between the Cities of Turlock, Ceres, Hughson, Newman, Oakdale, Patterson, Riverbank and Waterford, each a municipal corporation of the State of California (individually a "**City**" and collectively, "**Cities**") and Stanislaus County through its Department of Planning and Community Development (the "**County**"). The Cities and the County are collectively referred to herein as the "**Consortium**," or the "**Stanislaus HOME Consortium**," or the "**Parties**"; and, individually, "**Consortium Member**" or "**Party**".

WHEREAS, Parties agree that it is desirable and in the interests of their citizens to secure approval by the federal government to be considered as a consortium under the federal HOME Program operated by the U.S. Department of Housing and Urban Development ("**HUD**") as authorized under the HOME Investment Partnerships Act, Title II of the Cranston-Gonzalez National Affordable Housing Act of 1990, as amended (hereafter collectively referred to as the "**Act**"); and,

WHEREAS, Title II of the Act creates the Home Investment Partnerships Program (hereinafter "**HOME**") that provides funds to states and local governments for acquisition, rehabilitation, new construction of affordable housing, and tenant-based rental assistance; and

WHEREAS, the Act provides that units of local government that are geographically contiguous may form a consortium for the purposes of receiving an allocation to participate in the HOME Investment Partnerships Program (hereinafter "**HOME Program**") to be funded by HUD; and,

WHEREAS, the proposed level of federal funding is unlikely to provide grants to individual municipalities, but by cooperating in a consortium they may as a group become eligible participants in the HOME Program; and,

WHEREAS, the consortium of geographically contiguous local governments has notified HUD of their intention to participate in the HOME Program; and,

WHEREAS, this Agreement constitutes an intergovernmental agreement under California law which meets the criteria pursuant to 24 CFR Part 92.101, and the Consortium Members are authorized to enter into and adopt this Agreement by their respective legislative bodies; and,

WHEREAS, the Parties wish to enter into this Agreement to authorize the County to act in a representative capacity for the Cities for the purposes of ensuring that the Consortium's HOME Program is carried out in compliance with the requirements of 24 CFR Part 92 (24 CFR 92.101(a)(2)(ii); and,

WHEREAS, under 24 CFR 92.101, the Consortium's qualification as a unit of general local government generally continues for a period of three successive federal fiscal years. As required

by applicable regulations, to align the Community Development Block Grant (hereinafter "**CDBG**") and HOME qualification cycles, the parties agree that the term of this agreement shall for a period of three (3) years, from October 1, 2023 to September 30, 2026 (Federal Fiscal Years ("**FY**") 2023-2025);

NOW, THEREFORE, the Parties hereby enter into this Agreement for the purposes of receiving an allocation from the HOME Program and agree to cooperate to undertake or to assist in undertaking housing assistance activities for the HOME Program.

1. **Consortium.** This Consortium shall be known as the Stanislaus HOME Consortium. The Consortium Members agree to cooperate to undertake or assist in housing assistance activities for the HOME Program, and affirmatively support and enforce fair housing laws and regulations.

2. **Lead Agency.** The County shall be designated as Lead Agency of the Consortium to act in a representative capacity for all member units for the purposes of the HOME Program. The County will assume overall responsibility for ensuring that the Consortium's HOME Program Activities are carried out in compliance with HOME rules, including requirements relating to the Consolidated Plan. No Member of the Consortium may obstruct the implementation of the Consortium's approved Consolidated Plan.

3. **Designated Representatives.**

a. Each Consortium Member (i.e., the governing body or its designee) shall designate one individual from its staff to serve on the ad hoc Technical Committee and the ad hoc Ranking Panel (each, a "**Designated Representative**"). An alternate may be designated to serve if the Designated Representative is unable to attend. Each Designated Representative shall act on behalf of and in an advisory capacity to its respective jurisdiction. Additionally, each Consortium Member may select one (1) member of the public within its jurisdiction with experience and knowledge relating to affordable housing to serve on the ad hoc Ranking Panel ("**Public Representatives**").

b. An ad hoc Technical Committee consisting of one (1) Designated Representative from the County and one (1) Designated Representative from each participating City will meet from time to time to review, aid in development, and provide recommendations on policies, procedures, and documentation required by HUD for the implementation and administration of the HOME Program. The Technical Committee will facilitate distribution of information to residents within the respective jurisdictions of the HOME Consortium concerning community housing needs and the opportunity to participate in the development of programs and priorities.

c. An ad hoc Ranking Panel consisting of (1) representative from the County, one (1) Designated Representative from each participating City, and selected Public Representatives, will meet from time to time to review, evaluate, and rank proposals for designation of a CHDO and projects proposing to be funded with HOME funds. The Panel shall convene as determined necessary by the County. Panel rankings will be used by the County in making recommendations for allocation and awarding of funding. The representatives from local agencies shall be selected by the County with input from the Technical Committee.

4. **Three Year Qualification Period.**

a. This Agreement is for funding HOME Program activities for the 2023-2025 federal fiscal years (October 1, 2023 to September 30, 2026) or until the HOME program funds for the three-year qualification period are closed out pursuant to 24 CFR 92.507, whichever is later. In accordance with 24 CFR 91.402, all units of general government that are Consortium Members must be on the same program year that starts on each July 1st for CDBG, HOME, and Emergency Solutions Grants ("**ESG**") programs.

b. Although the current qualification period for the Consortium is three (3) years, members have an obligation to abide by HOME requirements throughout the period of affordability for funded projects.

5. **Program Year.** The Program Year for the start date for the Consortium is the commencement of the fiscal year of the Consortium Members, which begins on July 1, 2023.

6. **Consolidated Plan.** The County, on behalf of this Consortium, shall submit to HUD a single, unified Consolidated Plan, which describes the Consortium's strategy for addressing housing, homeless and supportive housing needs and Citizen Participation Plan. Per regulation, all Consortium plans and reports shall contain goals and accomplishments for the Consortium.

7. **Allocation of Funds.**

a. The Consortium Members shall be notified by the County of the availability of HOME Program funds for the Consortium. These funds shall be allocated to individual Consortium Members and will be required to be committed to an approved project within six (6) months from July 1 of each year, unless such deadline is extended by the County. An approved project shall be a project included within a HUD certified Annual Action Plan approved by the County. Funds will be considered committed if they are under a fully executed agreement that has been reviewed by and determined adequate by the County, and the environmental determination for the project has been certified by the County. All proposed projects will be submitted to the County for the upcoming fiscal year by January 1 of each year. A City shall not proceed to commit funds without the County's approval of the project and completion of the environmental review. If funds are not committed within the deadline established by the County, then the funds shall revert back to the County for use in an eligible HUD program as determined by the County.

b. If a Consortium Member opts not to accept its annual pro rata share of available HOME Program funds, it must provide written notification to the County. The allocation will be redistributed among all remaining HOME Consortium Members per their pro rata share. A Consortium Member that returns its allocation remains a member of the Consortium.

c. When a shared consultant/service provider is hired on behalf of the Consortium, the costs will be shared on a pro-rata basis. This share will be calculated based on the annual Consortium Members' collective annual HOME allocation. Consortium Member's pro-rata annual

HOME allocation will be reduced by each Consortium Member's cost share. The decision to hire shared consultants/service providers shall be at the sole discretion of the County.

8. **Program Income.**

a. Program income must be deposited in the participating jurisdiction's HOME Investment Trust Fund local account unless the participating jurisdiction permits the subrecipient to retain the program income for additional HOME projects pursuant to the written agreement required by 24 CFR 92.503 and 504.

b. The County shall be responsible to track and determine the use of any Program Income it receives in accordance with applicable laws and regulations (See 24 CFR 92.503(a)).

If grant closeout is required, the County will be responsible for grant close-out, and each City shall cooperate in the effort. The Consortium Members will be responsible for maintaining compliance on previous HOME-funded units.

11. **County's Responsibilities.** Each City hereby authorizes the County to act on its behalf in any way required to comply with this Agreement and applicable laws and regulations. The County shall have final responsibility for selecting the program activities and projects to be included in each annual grant request and project grant request and for filing the Consolidated Plan with HUD on an annual basis. Often, one Fund will provide service to another Fund. The General Fund provides administrative service to various funds, such as Water, Sewer, Gas Tax, BAD, LLD. These transfers cover the costs of Staff support (such as the Finance Department, Administration, etc.) to administer the programs. Transfers are made to the IT Fund (372) from the General, Water and Sewer Fund. These transfers are to build up a reserve to fund future IT needs. In addition, a portion of the funds collected from User fees (Sewer/Water) covers future asset replacement - via depreciation costs.

F. In 2006 the parties entered into Amendment No. 1 of the 1996 Agreement to clarify technical issues and the intent of that agreement.

N. The parties intend to share equally the annual tax increment, for all future annexations which are not specifically excluded by this Agreement, that occur after the effective date of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and promises herein contained, the City and County hereby agree as follows:

AGREEMENT

Section 1. **Recitals.** The recitals above ("Recitals") are true and correct and are hereby incorporated into and made part of this Agreement. In the event of any inconsistency between the Recitals and Sections 1 through 12 of this Agreement, Sections 1 through 12 shall prevail.

Section 2. **Definitions.**

(a) "1996 Agreement" shall mean the Master Property Tax Sharing Agreement entered into between the City and the County effective May 13, 1996, for the purpose of adjusting the allocation of property tax revenue pursuant to Section 99 of the Revenue and Taxation Code upon a change of organization and its Amendment No. 1 of 2006.

(b) "Annexation" shall mean the inclusion, attachment, or addition of territory to the City pursuant to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000.

(c) "Ad Valorem Property Tax" shall mean the tax imposed on real and tangible personal property based upon the value of the property.

(d) "Base Property Tax Year" shall mean the tax year immediately preceding the year in which the State Board of Equalization recognized and notifies the County Auditor-Controller of the Annexation.

(e) "Educational Revenue Augmentation Fund" or "ERAF" shall mean a requirement of the County Auditor-Controller to shift a certain percentage of annual allocations of local property tax revenues from counties, cities, and special districts to a specified fund which is utilized by the State of California to reduce its financial obligation to public schools and help meet its minimum state funding requirements pursuant to Proposition 98.

(f) "Incremental Property Tax Revenue" shall mean the total amount of property tax revenue increase or decrease computed from the assessed valuation over the Base Property Tax Year. [reference Revenue and Taxation Code Section 96.5]

(g) "Tax Rate Area" shall have the same meaning as defined in Revenue and Taxation Code section 95(g)(1).

Section 3. **Reporting.** From and after the first fiscal year following the effective date of each Annexation, County Auditor-Controller will report, as part of the regular AB 8 report process, to the City Manager and to the County Executive Office the calculation and the actual amount of the Ad Valorem Property Tax revenue available for allocation and distribution pursuant to this Agreement. After provision of this report, either party may request to meet and confer with the other party to review the annual report.

Section 4. **Allocation of Ad Valorem Property Tax Revenue for New Annexations.** When a jurisdictional change occurs, the Ad Valorem Property Tax revenue attributable to the territory Annexed to the City, for all land use types, shall be adjusted in the following manner:

(a) For Annexations other than County unincorporated islands or properties identified in Exhibit B, County shall retain its one hundred percent (100%) share of the Ad Valorem Property Tax revenue attributable to the Base Property Tax Year amount. After Annexation, the annexing City shall receive a fifty percent (50%) share of the County's Incremental Property Tax Revenue. County shall retain the remaining fifty percent (50%) share of the County's Incremental Property Tax Revenue.

(b) Where an Annexation includes land served by a special district, City shall receive the entire amount of the Ad Valorem Property Tax allocated to the special district upon the detachment of the annexed territory from the special district or the dissolution of the special district.

(c) Except as set forth in subsection (d) below, for any Annexation effecting an unincorporated County island or listed in Exhibit B, the annexing City shall meet and confer with County to determine the allocation of the Ad Valorem Property Tax revenue of the unincorporated County island when each such island is considered for Annexation.

(d) For an Annexation requested or initiated by County or required by state or federal law pertaining to, in whole or part, any unincorporated County island or disadvantaged community, the annexing City shall meet and confer with County to determine the allocation of the Ad Valorem Property Tax revenue of the unincorporated County area considered for Annexation.

The provisions of this Section 4 shall survive and remain in effect following any termination of this Agreement, i.e., there will be no reversion back to the 1996 Agreement tax sharing rates.

Section 5. **Allocation of Incremental Property Tax Revenue.** Beginning with the property assessments included in the 2022 Assessment Roll based on property values established as of January 1, 2022, and delivered by the County Assessor to the County Auditor-Controller by July 1, 2022, the County's Incremental Property Tax Revenue for all Tax Rate Areas identified in Exhibit A, shall be shared evenly between City and County: fifty percent (50%) to City and fifty percent (50%) to County. The County's Incremental Property Tax Revenue sharing established under this Section 5 is calculated prior to any property tax revenue shift for ERAF. This Section 5 is prospective only and shall begin being applied by the County Auditor-Controller when property tax revenues are distributed during Fiscal Year 2022/2023. An example of the calculation performed by the Auditor-Controller to implement this agreement is attached as Exhibit C.

The provisions of this Section 5 shall survive and remain in effect following any termination of this Agreement, i.e., there will be no reversion back to the 1996 Agreement tax sharing rates.

Section 6. **Adjustment of Appropriation Limit.** Pursuant to Section 3(b) of Article XIII of the Constitution of the State of California, City shall increase its appropriation limit by the amount of Ad Valorem Property Tax revenue received after the adjustment provided for in Section 4 is completed. County shall decrease its appropriation limit by the amount of Ad Valorem Property Tax revenue that is transferred to City. It is also expected that any special district will decrease its appropriation limit by the amount of Ad Valorem Property Tax revenue it has had transferred to City upon detachment or dissolution.

Section 7. **Additional Property Tax Agreement Discussions.** County agrees to continue to meet and confer with City to address alternatives models of Ad Valorem Property Tax distribution to lessen the impact of ERAF.

Section 8. **Term of This Agreement.** The term of this Agreement shall commence as of the Effective Date and continue thereafter until one of the parties terminates this Agreement. Any party may terminate this Agreement by formal action upon no less than 60 days' notice and termination shall be effective on the first day of July following service of the notice of termination.

Section 9. **Modification** This Agreement constitutes the entire agreement between the Parties hereto. To be effective, any amendment, modification, or revision of this Agreement must be a writing duly authorized and signed by both Parties.

Section 10. **Entire Agreement** With respect to the subject matter hereof only, this Agreement replaces and supersedes the 1996 Agreement, as well as any and all previous negotiations, proposals, commitments, writings, and understanding of any nature whatsoever between County and City.

In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of CITY. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than fifty percent (50%) of the present ownership and/or control of CONTRACTOR, taking all transfers into account on a cumulative basis. In the event any of said policies of insurance are cancelled, the CONTRACTOR shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 9.0 to the Contract Officer. No work or services under this Agreement shall commence until the CONTRACTOR has provided the CITY with Certificates of Insurance or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the CITY.

9.2 Indemnification

CONTRACTOR agrees to indemnify the CITY, its officers, agents and employees against, and will hold and save them and each of them harmless from, any and all actions, suits, claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities, (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work, operations or activities of CONTRACTOR, its agents, employees, subcontractors, or invitees, provided for herein, or arising from the negligent acts or omissions of CONTRACTOR hereunder, or arising from CONTRACTOR'S negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, whether or not there is concurrent passive or active negligence on the part of the CITY, its officers, agents or employees but excluding such claims or liabilities arising from the sole negligence or willful misconduct of the CITY, its officers, agents or employees, who are directly responsible to the CITY.

9.3 Sufficiency of Insurer or Surety

Insurance or bonds required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated "A" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the Risk Manager of the CITY due to unique circumstances. In the event the Risk Manager of CITY ("Risk Manager") determines that the work or services to be performed under this Agreement creates an increased or decreased risk of loss to the CITY, the CONTRACTOR agrees that the minimum limits of the insurance policies and the performance bond required by this Section 9.0 may be changed accordingly upon receipt of written notice from the Risk Manager; provided that the CONTRACTOR shall have the right to appeal a determination of increased coverage by the Risk Manager to the CITY Council of CITY within 10 days of receipt of notice from the Risk Manager.

10.0 RECORDS AND REPORTS

10.1 Reports

10.2 Records

CONTRACTOR shall keep, and require subcontractors to keep, such books and records as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of CITY, including the right to inspect, copy, audit and make records and transcripts from such records. Such records shall be maintained for a period of three (3) years following completion of the services hereunder, and the CITY shall have access to such records in the event any audit is required.

10.3 Non-Disclosure of Proprietary Information

In performing its duties under this Agreement, CONTRACTOR will produce reports, technical information and other compilations of data to CITY. These reports, technical information and compilations of data are derived by CONTRACTOR using methodologies, formulae, programs, techniques and other processes designed and developed by CONTRACTOR at a substantial expense. CONTRACTOR'S reports, technical information, compilations of data, methodologies, formulae, software, programs, techniques and other processes designed and developed by CONTRACTOR shall be referred to as Proprietary Information. CONTRACTOR'S Proprietary Information is not generally known by the entities with which CONTRACTOR competes.

CONTRACTOR desires to protect its Proprietary Information. Accordingly, CITY agrees that neither it nor any of its employees, agents, independent contractors or other persons or organizations over which it has control, will at any time during or after the term of this Agreement, directly or indirectly use any of CONTRACTOR'S Proprietary Information for any purpose not associated with CONTRACTOR'S activities. Further, CITY agrees that it nor any of its employees, agents, independent contractors or other persons or organizations over which it has control, will disseminate or disclose any of CONTRACTOR'S Proprietary Information to any person or organization not connected with CONTRACTOR, without the express written consent of CONTRACTOR. The CITY also agrees that consistent with its obligations under the California Public Records Act and related disclosure laws, it will undertake all necessary and appropriate steps to maintain the proprietary nature of CONTRACTOR'S Proprietary Information.

Subject to the provisions of Section 10.4 below, any use of the Proprietary Information or any other reports, records, documents or other materials prepared by CONTRACTOR hereunder for other projects and/or use of uncompleted documents without specific written authorization by the CONTRACTOR will be at the CITY's sole risk and without liability to CONTRACTOR, and the CITY shall indemnify the CONTRACTOR for all damages resulting therefrom.

10.4 Release of Documents Pursuant to Public Records Act

Notwithstanding any other provision in this Agreement, all obligations relating to disclosure of Proprietary Information remain subject to the Freedom of Information Act or California Public Records Act, Cal. Gov't Code §§ 6250 et seq. (collectively, the "PRA"). The Parties intend that if CITY is served with a request for disclosure under the PRA, or any similar statute, the CITY in good faith will make the determination as to whether the material is disclosable

or exempt under the statute, and shall resist the disclosure of Proprietary Information which is exempt from disclosure to the extent allowable under the law. CITY shall advise CONTRACTOR in writing five (5) days prior to the intended disclosure of any decision to disclose Proprietary Information, and the reasons therefore, and if CONTRACTOR then timely advises CITY in writing that it objects to the disclosure, CITY shall not disclose the information. In such case, CONTRACTOR shall then be solely liable for defending the non-disclosure and shall indemnify and hold CITY harmless for such nondisclosure.

11.0 ENFORCEMENT OF AGREEMENT

11.1 California Law

This Agreement shall be construed and interpreted both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California, or any other appropriate court in such county, and CONTRACTOR covenants and agrees to submit to the personal jurisdiction of such court in the event of such action.

11.2 Disputes

In the event of any dispute arising under this Agreement, the injured party shall notify the injuring party in writing of its contentions by submitting a claim therefor. The injured party shall continue performing its obligations hereunder so long as the injuring party commences to cure such default within ten (10) days of service of such notice and completes the cure of such default within forty-five (45) days after service of the notice, or such longer period as may be permitted by the injured party; provided that if the default is an immediate danger to the health, safety and general welfare, such immediate action may be necessary. Compliance with the provisions of this Section shall be a condition precedent to termination of this Agreement for cause and to any legal action, and such compliance shall not be a waiver of any party's right to take legal action in the event that the dispute is not cured, provided that nothing herein shall limit CITY's or the CONTRACTOR'S right to terminate this Agreement without cause pursuant to Section 11.6.

11.3 Waiver

No delay or omission in the exercise of any right or remedy by a nondefaulting party on any default shall impair such right or remedy or be construed as a waiver. A party's consent to or approval of any act by the other party requiring the party's consent or approval shall not be deemed to waive or render unnecessary the other party's consent to or approval of any subsequent act. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

11.4 Rights and Remedies are Cumulative

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or

different times, of any other rights or remedies for the same default or any other default by the other party.

11.5 Legal Action

In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement.

11.6 Termination Prior to Expiration of Term

This Section shall govern any termination of this Agreement. The Parties reserve the right to terminate this Agreement at any time, with or without cause, upon forty-five (45) days' written notice to the non-terminating party, except that where termination is for cause, the Parties will comply with the dispute resolution process in Section 11.2. Upon issuance of any notice of termination, CONTRACTOR shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. The CONTRACTOR shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter. In the event of termination without cause pursuant to this Section, the terminating party need not provide the non-terminating party with the opportunity to cure pursuant to Section 11.2.

11.7 Attorneys' Fees

If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment.

12.0 CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

12.1 Non-liability of CITY Officers and Employees

No officer or employee of the CITY shall be personally liable to the CONTRACTOR, or any successor in interest, in the event of any default or breach by the CITY or for any amount which may become due to the CONTRACTOR or to its successor, or for breach of any obligation of the terms of this Agreement.

12.2 Conflict of Interest

No officer or employee of the CITY shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to the Agreement which effects his financial interest or the financial interest of any corporation, partnership or association in which he is, directly or indirectly, interested, in violation of any State statute or regulation. The CONTRACTOR warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

12.3 Covenant Against Discrimination

CONTRACTOR covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin, or ancestry in the performance of this Agreement. CONTRACTOR shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, marital status, national origin, or ancestry.

13.4 Severability

In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

9.4. Consultant agrees that if it does not keep the aforesaid insurance in full force and effect, City may either (i) immediately terminate this Agreement; or (ii) take out the necessary insurance and pay, at Consultant's expense, the premium thereon.

9.5. At all times during the term of this Agreement, Consultant shall maintain on file with City a certificate or certificates of insurance showing that the aforesaid policies are in effect in the required amounts and naming the City and its officers, employees, agents and volunteers as additional insureds. Consultant shall, prior to commencement of work under this Agreement, file with City such certificate(s).

9.6. Consultant shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Such proof will be furnished at least two weeks prior to the expiration of the coverages.

9.7. The general liability and automobile policies of insurance required by this Agreement shall contain an endorsement naming City and its officers, employees, agents and volunteers as additional insureds. All of the policies required under this Agreement shall contain an endorsement providing that the policies cannot be canceled or reduced except on thirty days' prior written notice to City. Consultant agrees to require its insurer to modify the certificates of insurance to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation imposes no obligation, and to delete the word "endeavor" with regard to any notice provisions.

9.8. The insurance provided by Consultant shall be primary to any coverage available to City. Any insurance or self-insurance maintained by City and/or its officers, employees, agents or volunteers, shall be in excess of Consultant's insurance and shall not contribute with it.

9.9. All insurance coverage provided pursuant to this Agreement shall not prohibit Consultant, and Consultant's employees, agents or subcontractors, from waiving the right of subrogation prior to a loss. Consultant hereby waives all rights of subrogation against the City.

9.10. Any deductibles or self-insured retentions must be declared to and approved by the City.

9.11. Procurement of insurance by Consultant shall not be construed as a limitation of Consultant's liability or as full performance of Consultant's duties to indemnify, hold harmless and defend under Section **8** of this Agreement.

10. MUTUAL COOPERATION

10.1. City shall provide Consultant with all pertinent data, documents and other requested information as is reasonably available for the proper performance of Consultant's services under this Agreement.

10.2. In the event any claim or action is brought against City relating to Consultant's performance in connection with this Agreement, Consultant shall render any reasonable assistance that City may require.

11. RECORDS AND INSPECTIONS

11.1. Consultant shall maintain full and accurate records with respect to all matters covered under this Agreement for a period of three years after the expiration or termination of this Agreement. City shall have the right to access and examine such records, without charge, during normal business hours. City shall further have the right to audit such records, to make transcripts therefrom and to inspect all program data, documents, proceedings, and activities.

12. NOTICES

12.1. Any notices, bills, invoices, or reports required by this Agreement shall be deemed received on: (i) the day of delivery if delivered by hand, facsimile or overnight courier service during Consultant's and City's regular business hours; or (ii) on the third business day following deposit in the United States mail if delivered by mail, postage prepaid, to the addresses listed below (or to such other addresses as the parties may, from time to time, designate in writing).

13. SURVIVING COVENANTS

13.1. The parties agree that the covenants contained in Section 7, Section 8, Paragraph 10.2 and Section 11 of this Agreement shall survive the expiration or termination of this Agreement.

14. TERMINATION

14.1. City shall have the right to terminate this Agreement for any reason on five calendar days' written notice to Consultant. Consultant shall have the right to terminate this Agreement for any reason on thirty calendar days' written notice to City. Consultant agrees to cease all work under this Agreement on or before the effective date of any notice of termination. All City data, documents, objects, materials or other tangible things shall be returned to City upon the termination or expiration of this Agreement.

14.2. If City terminates this Agreement due to no fault or failure of performance by Consultant, then Consultant shall be paid based on the work satisfactorily performed at the time of termination. In no event shall Consultant be entitled to receive more than the amount that would be paid to Consultant for the full performance of the services required by this Agreement.

15. GENERAL PROVISIONS

15.1. Consultant shall not delegate, transfer, subcontract or assign its duties or rights hereunder, either in whole or in part, without City's prior written consent, and any attempt to do so shall be void and of no effect. City shall not be obligated or liable under this Agreement to any party other than Consultant.

15.2. In the performance of this Agreement, Consultant shall not discriminate against any employee, subcontractor, or applicant for employment because of race, color, creed, religion, sex, marital status, sexual orientation, national origin, ancestry, age, physical or mental disability or medical condition.

15.3. Consultant agrees to comply with the regulations of City's "Conflict of Interest Code." Said Code is in accordance with the requirements of the Political Reform Act of 1974. Consultant covenants that it presently has no interest, and shall not have any interest, direct or interest, which would conflict in any manner with the performance of service required hereunder. The term "conflict" shall include, as a minimum, the definition of a "conflict of interest" under

the California Fair Political Practices Act and the City of Hughson Conflict of Interest Code, as that term is applied to consultants.

15.4. In accomplishing the scope of services of this Agreement, Consultant(s) may be performing a specialized or general service for the City, and there is a substantial likelihood that the consultant's work product will be presented, either written or orally, for the purpose of influencing a governmental decision. As a result, employees of the Consultant or the Consultant itself may be subject to a Category "1" disclosure of the City's Conflict of Interest Code. If in fact this applies to the Consultant a form 700 must be filed.

15.5. The captions appearing at the commencement of the sections hereof, and in any paragraph thereof, are descriptive only and for convenience in reference to this Agreement. Should there be any conflict between such heading, and the section or paragraph thereof at the head of which it appears, the section or paragraph thereof, as the case may be, and not such heading, shall control and govern in the construction of this Agreement. Masculine or feminine pronouns shall be substituted for the neuter form and vice versa, and the plural shall be substituted for the singular form and vice versa, in any place or places herein in which the context requires such substitution(s).

15.6. The waiver by City or Consultant of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or of any subsequent breach of the same or any other term, covenant or condition herein contained. No term, covenant or condition of this Agreement shall be deemed to have been waived by City or Consultant unless in writing.

15.7. Consultant shall not be liable for any failure to perform if Consultant presents acceptable evidence, in City's sole judgment, that such failure was due to causes beyond the control and without the fault or negligence of Consultant.

15.8. Each right, power and remedy provided for herein or now or hereafter existing at law, in equity, by statute, or otherwise shall be cumulative and shall be in addition to every other right, power, or remedy provided for herein or now or hereafter existing at law, in equity, by statute, or otherwise. The exercise, the commencement of the exercise, or the forbearance of the exercise by any party of any one or more of such rights, powers or remedies shall not preclude the simultaneous or later exercise by such party of any of all of such other rights, powers or remedies. In the event legal action shall be necessary to enforce any term, covenant or condition herein contained, the party prevailing in such action, whether reduced to judgment or not, shall be entitled to its reasonable court costs, including accountants' fees, if any, and attorneys' fees expended in such action.

15.9. If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, then such term or provision shall be amended to, and solely to, the extent necessary to cure such invalidity or unenforceability, and in its amended form shall be enforceable. In such event, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and be enforced to the fullest extent permitted by law.

15.10. This Agreement shall be governed and construed in accordance with the laws of the State of California.

15.11. If either party initiates an action to enforce the terms hereof or declare rights hereunder, the parties agree that the venue thereof shall be the County of Stanislaus, State of California. Consultant hereby waives any rights it might have to remove any such action pursuant to California Code of Civil Procedure Section 394.

15.12. All documents referenced as exhibits in this Agreement are hereby incorporated into this Agreement. In the event of any material discrepancy between the express provisions of this Agreement and the provisions of any document incorporated herein by reference, the provisions of this Agreement shall prevail. This instrument contains the entire Agreement between City and Consultant with respect to the transactions contemplated herein. No other prior oral or written agreements are binding upon the parties. Amendments hereto or deviations here from shall be effective and binding only if made in writing and executed by City and Consultant.

15.13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which taken together shall constitute one and the same instrument. Each party agrees that this Agreement and any other documents to be delivered in connection herewith may be electronically signed, and that any electronic signatures appearing on this Agreement or such other documents are the same as handwritten signatures for purposes of validity, enforceability, and admissibility.

TO EFFECTUATE THIS AGREEMENT, the parties have caused their duly authorized representatives to execute this Agreement on the dates set forth below.

ELECTRIC VEHICLE CHARGING STATION LICENSE AGREEMENT

This Electric Vehicle Charging Station License Agreement ("Agreement") is entered into as of the 22 day of August, 2022 ("Agreement Date") by and between the City of Hughson, a political subdivision of the State of California ("CITY") and the Turlock Irrigation District, a California irrigation district ("TID").

RECITALS

A. CITY is the fee simple owner of certain real property located at [property address] ("Property");

B. TID is the electrical service provider within TID's electrical service area and has undertaken to install, operate and maintain various electrical vehicle charging stations.

C. The parties recognize the mutual benefit of having TID install, maintain and operate electric vehicle recharging stations on the Property and desire to enter into this Agreement for that purpose.

NOW THEREFORE for and in consideration of the mutual covenants and agreements contained in this Agreement, and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged by the parties, CITY and TID hereby agree as follows:

AGREEMENT

1. INCORPORATION OF RECITALS. The Recitals set forth above, and any exhibits referenced herein, are each incorporated into the body of this Agreement as if set forth in full.

2. Grant of License. CITY grants to TID for the Term of this Agreement: (a) an exclusive and irrevocable license to use and occupy a portion of the Property as more particularly described on Exhibit A hereto (the "Premises") for the Purpose, as defined below; and (b) any necessary easements for access and utilities for the Purpose.

3. Purpose. The Premises may be used by TID for any lawful activity in connection with the design, development, construction, installation, maintenance, repair, replacement, removal, security, and operation of electric vehicle chargers and ancillary items, including, without limitation, electrical equipment, hardware, software, signage and all supporting equipment and structures (collectively, the "Charging Station"), together with any other uses permitted herein ("Purpose"), on the terms and conditions set forth in this Agreement.

4. Term & Termination. The term of this Agreement (as extended or renewed from time to time, the "Term") shall commence on the Agreement Date and terminate five (5) years from the date that the Charging Station is first operational ("Commencement Date"). After the Agreement Date, TID will diligently work to complete construction and installation of the

Charging Station to make it operational. TID shall send CITY notice of the Commencement Date within thirty (30) days of the Commencement Date.

5. Renewal. Provided TID is not in breach of this Agreement, or the Agreement has not been terminated as set forth herein, this Agreement shall automatically renew for successive five (5) year periods under the same terms and conditions. CITY or TID may terminate this Agreement upon the conclusion of each five (5) year period described in the preceding sentence by delivering notice to the other party at least thirty (30) days prior to each such five (5) year period's conclusion.

6. Consideration for License. CITY acknowledges that TID's obligation to install, maintain and operate the Charging Station will provide CITY a benefit to the public which uses and accesses the Property. As such, TID shall not be required to pay CITY any additional consideration for the grant of license contained in this Agreement.

7. Early Termination. This Agreement may be terminated upon thirty (30) days' written notice to either party without penalty or fee: (a) in the case of TID, at any time prior to the submission of the installation plans for construction of the Charging Station at the Property or in the event that TID determines that the construction or continued operation of the Charging Station is impracticable or uneconomical; and

(b) in the case of CITY, in the event the Commencement Date has not occurred within fifteen (15) months following the Agreement Date; provided that the foregoing right shall terminate upon the Commencement Date.

8. Termination for Cause. This Agreement may be immediately terminated for cause by either party under either of the following circumstances: (a) the other party breaches or fails to perform any of its obligations in any material respect, and such breach or failure continues uncured for fifteen (15) business days after receipt of written notice; or

(b) the other party becomes insolvent or proceedings are instituted by or against it under any provision of any federal or state bankruptcy insolvency laws.

9. Maintenance of Premises. CITY shall cause the Premises to be maintained in a clean, safe, and orderly condition, to at least the same standard as other areas at the Property. CITY shall have no responsibility to maintain TID's Charging Station or related TID equipment, hardware, software, or signage. CITY shall not retain any ownership rights in the Charging Station and related TID equipment.

10. Installation Activities. (a) TID shall, at its sole cost and expense, be responsible for all installation activities (the "Installation Activities") required to support the operation of the Charging Station and services therewith, including furnishing and installing all materials, equipment, and labor required for the installation of the Charging Station. TID may, at any time during the Term and in its discretion modify, including, without limitation, upgrade, replace, and/or remove all or a portion of the Charging Station (collectively, "Modifications"), whether or not said items are considered fixtures and attachments to the Premises. In the event of a

substantial and significant Modification to the Charging Station, TID shall provide at least sixty (60) days prior notice to CITY.

(b) Before beginning any Installation Activities, TID shall provide a copy of the, Charging Station specifications, and installation plans to CITY for its approval, which approval shall not be unreasonably delayed or withheld. No work will begin until plans have been approved by CITY. With respect to its Installation Activities, TID shall ensure that it or its designated contractor(s) and/or service providers perform Installation Activities only during times and days acceptable to CITY and in a manner so as not to unreasonably interfere with CITY's business operations.

(c) Upon completion of any Installation Activities under this Agreement, CITY shall not retain any ownership rights of the Charging Station and related equipment, hardware, software, signage, and supporting equipment and structures at the Property.

11. TID Electrical Charges. Unless otherwise agreed by the parties, TID shall be responsible for all electrical charges of the Charging Station. CITY shall reasonably cooperate with TID's efforts regarding the provision of electrical service to the Charging Station. Neither CITY nor TID has any responsibility or liability for interruption, curtailment, failure, or defect in the supply or character of utilities furnished to the Charging Station, unless the cause of the interruption is covered by the party's indemnity.

12. Charging Services, Operation and Maintenance. TID's network on the Charging Station shall be accessible to TID's subscribers, customers, agents, employees, contractors, vendors, guests, and invitees, who shall be charged in amounts reasonably determined by TID, which may change from time to time in TID's sole discretion.

TID shall provide maintenance services to ensure all equipment is properly checked, tested, and activated for safe and proper operation. TID shall not be responsible for enforcement of laws relating to parking or similar codes for the operation of motor vehicles.

13. Access. The Property is a public parking lot, which shall allow the public complimentary access to the Premises at all times during the Term of this Agreement, except during times at which the CITY must close the parking lot for general operating hours, maintenance, safety, special events, and other unforeseen reasons in the discretion of the CITY. The CITY shall use best efforts to notify TID at least forty-eight (48) hours in advance of such a closure. Subject to all other provisions and obligations of this Agreement , TID and its employees, contractors, and vendors may access the Premises and Property to maintain, inspect, repair, upgrade, or replace any portion of the Charging Station.

14. Signage and Striping. Subject to CITY's prior approval, TID may paint, place, erect, or project signage, marks, or advertising devices in, on, about, or around the Premises at TID's sole cost and subject to applicable laws and regulations. At no time may CITY place any signage on TID's property. TID shall install electric vehicle parking stall pavement striping and markings per the plans approved by the CITY. All signage and pavement markings must be consistent with industry standards for electric vehicle parking, CITY requirements, and State and Federal

guidelines. TID shall furnish and install all materials, equipment, and labor for the Charging Station signage and pavement markings.

15. Promotional Activities. During the Term of the Agreement, the parties may promote the availability of the Charging Station through traditional and/or electronic media, including providing the address to the Property and a description thereof. No party shall use the other party's trade or service marks, logos, or other proprietary materials without the prior written consent of the other party.

16. Restoration of Premises. Upon the expiration of the Term, or other termination of this Agreement, TID shall remove the Charging Station and all TID's other property from the Premises and Property within one hundred twenty (120) days. TID shall return the Premises, and the Property to the extent TID's work has damaged or altered the Property, to its original condition prior to the execution of this Agreement, reasonable wear and tear excepted. These obligations shall survive the termination of this Agreement and shall not be excused for any reason, including but not limited to termination due to TID's insolvency.

17. Indemnity; Liens. This Agreement is made upon the express condition that TID shall indemnify, defend, keep, and save harmless CITY, and its directors, officers, agents, and employees against any and all suits, claims, or actions arising out of any injury or injuries to, or death or deaths of, persons or damage to third party property that may occur, or that may be alleged to have occurred, to the extent caused by TID's use of the Property and/or Premises or the negligent acts or omissions of TID, its agents, employees or contractors, except where caused by the negligence or willful misconduct of CITY, its employees, contractors, or agents. TID will keep the Property free of all liens related to the Purpose.

18. Insurance. a. Minimum Coverage. TID shall acquire and maintain Workers' Compensation, commercial general liability, and owned and non-owned and hired automobile liability insurance coverage relating to TID's use of the Premises. The minimum amounts of coverage corresponding to the aforesaid categories of insurance per insurable event, shall be as follows:

Insurance Category	Minimum Limits
Workers' Compensation	statutory minimum
Commercial General Liability	$1,000,000 per occurrence and $2,000,000 for bodily injury, personal injury and property damage
Automobile Liability	$1,000,000 per accident for bodily injury and property damage (coverage required to the extent applicable to TID's vehicle usage in performing services herein)

b. Certificates of Insurance and Required Endorsements. Concurrently with the execution of this Agreement, TID shall furnish CITY with certificates and copies of information or declaration pages of the insurance required hereunder and, with respect to evidence of commercial general liability and automobile liability insurance coverage, the following original endorsements:

(i) Precluding cancellation or reduction in per occurrence limits before the expiration of thirty (30) days (10 days for nonpayment) after CITY shall have received written notification of cancellation in coverage or reduction in per occurrence limits by first class mail;

(ii) Naming the CITY, its Council, officers, boards, commissions, employees, and agents, as additional insureds; and

(iii) Providing that TID's insurance coverage shall be primary insurance with respect to CITY, and any insurance or self-insurance maintained by CITY for itself shall be in excess of TID's insurance and not contributory with it.

c. Umbrella Coverage and Self-Insured Retentions. The limits of insurance required in this agreement may be satisfied by a combination of primary and umbrella or excess insurance. Any umbrella or excess insurance shall contain or be endorsed to contain a provision that such coverage shall also apply on a primary and non-contributory basis for the benefit of CITY, to the extent required by this Agreement, before the CITY's insurance or self-insurance may be called upon to protect CITY as a named Insured. All self-insured retentions (SIR) must be disclosed to CITY for approval and shall not reduce the limits of liability coverage. Policies containing a SIR provision shall provide or be endorsed to provide that the SIR may be satisfied by either the named TID/Named Insured or CITY.

19. Representations, Warranties, and Covenants. TID and the CITY each hereby represents and warrants to the other that, as of the Agreement Date: (a) it has all necessary power and authority to execute, deliver, and perform its obligations hereunder; (b) the execution, delivery, and performance of the Agreement have been duly authorized by all necessary actors and none of the Agreement's provisions violate any term or condition of its governing documents, contracts to which it is a party, or any law, regulation, order, or other applicable legal determination; (c) there is no pending or known threatened litigation or proceeding that may adversely affect its ability to perform the Agreement; (d) it is duly organized and validly existing under the laws of the jurisdiction of its organization; (e) the Agreement constitutes a legal, valid, and binding obligation, except as enforceability may be limited by applicable bankruptcy, insolvency or similar laws affecting creditors' rights and general principle of equity; and (f) at all times during the Term, it will comply with all applicable Federal, State, and local laws, rules, and regulations (including, without limitation, all zoning ordinances and building codes) in performing its obligations under the Agreement.

20. Notice. Any notice provided or permitted to be given under this Agreement must be in writing and be served either by (i) deposit in the mail, addressed to the party to be notified, postage prepaid, and registered or certified, with a return receipt requested, or (ii) deposit with an internationally-recognized overnight delivery carrier, with notice of delivery to the recipient party. Notice given by registered or certified mail or overnight carrier shall be deemed delivered

and effective on the date of delivery shown on the return receipt or proof of receipt. For purposes of notice the addresses of the parties shall be as set forth below. Each party may change its address for notice by giving notice thereof to the other party.

21. Property Rights; Assignment. This Agreement is binding on and inures to the benefit of the parties and their respective heirs, successors, assigns, and personal representatives. In the event the Premises is transferred, or CITY ceases to have the requisite level of control over the Premises necessary to fulfill its obligations under this Agreement (each, a "Transfer Event"), CITY shall assign its rights and obligations under this Agreement to the person or entity which would be able to comply with CITY's obligations following such Transfer Event. Further, CITY agrees that any such Transfer Event shall not affect, terminate, or disturb TID's right to use of the Premises under the terms of this Agreement or any of TID's other rights under this Agreement, so long as TID is not then in default under any of the terms, covenants, or conditions of this Agreement.

22. Casualty and Condemnation. If any portion of the Property is damaged by fire or other casualty in a manner that adversely affects TID's use of the Premises, then either party may, within thirty (30) days of the date of such fire or other casualty, elect to terminate the Agreement by written notice to the other party. If any portion of the Property is condemned or taken in any manner for a public or quasi-public use that could adversely affect TID's use of the Premises, then TID may elect to terminate the Agreement effective as of the date title to the condemned portion of the Property is transferred to the condemning authority.

23. No Agency Relationship. Nothing in this Agreement shall be deemed or construed to create a joint venture, partnership, fiduciary, or agency relationship between the parties for any purpose, and the employees of one party shall not be deemed to be the employees of the other party. Except as otherwise stated in this Agreement, neither party has any right to act on behalf of the other, nor represent that it has such right or authority.

24. Validity. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement. The Agreement shall be construed and deemed reformed to the extent necessary to render valid such term and the rights and obligations of the parties shall be enforced accordingly.

25. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of California without giving effect to conflict of law rules. Venue shall be in Stanislaus County, State of California.

26. No Waiver. No waiver by CITY or TID of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by CITY or TID of the same or any other provision. CITY's consent to, or approval of any act shall not be deemed to render unnecessary the obtaining of CITY's consent to or approval of any subsequent act by TID.

27. Remedies. The rights and remedies provided by this Agreement are cumulative, and the use of any right or remedy by any party does not preclude or waive its right to use any or all other remedies. These rights and remedies are given in addition to any other rights a party may have under any applicable law, in equity or otherwise.

28. Force Majeure. Neither party is responsible for any delay or failure in performance of any part of this Agreement to the extent that delay or failure is caused by fire, flood, explosion, war, embargo, government requirement, civil or military authority, act of God, act or omission of carriers or other similar causes beyond the party's control.

29. No Third-Party Beneficiaries. This Agreement does not confer any rights or remedies on any person other than the parties and their respective successors and permitted assigns.

30. Integration; Amendments. This Agreement contains all agreements, promises, and understandings between the parties, and there are no verbal or oral agreements, promises, or understandings between the parties. Any amendment, modification, or other change to this Agreement shall be ineffective unless made in a writing signed by the parties hereto.

31. Counterparts. This Agreement may be executed in any number of counterparts with the same effect as if all the parties had signed the same document.

32. Construction. All documents or items attached to, or referred in, this Agreement are incorporated into this Agreement as fully as if stated within the body of this Agreement. Each party has cooperated in the drafting, negotiation, and preparation of this Agreement and nothing herein shall be construed against either party on the basis of that party being the drafter of such language.

33. Recording of Agreement. TID may record this Agreement with the Stanislaus County Recorder.

IN WITNESS WHEREOF, this Agreement is executed to be effective as of the date first set forth above.

8.3. The obligations of Consultant under this Section **8** will not be limited by the provisions of any workers' compensation act or similar act. Consultant expressly waives any statutory immunity under such statutes or laws as to City, its officers, agents, employees and volunteers.

8.4. Consultant agrees to obtain executed indemnity agreements with provisions identical to those set forth here in this Section **8** from each and every subcontractor or any other person or entity involved by, for, with or on behalf of Consultant in the performance of this Agreement. In the event Consultant fails to obtain such indemnity obligations from others as required herein, Consultant agrees to be fully responsible and indemnify, hold harmless and defend City, its officers, agents, employees and volunteers from and against any and all claims and losses, costs or expenses for any damage due to death or injury to any person and injury to any property resulting from any alleged intentional, reckless, negligent, or otherwise wrongful acts, errors or omissions of Consultant's subcontractors or any other person or entity involved by, for, with or on behalf of Consultant in the performance of this Agreement. Such costs and expenses shall include reasonable attorneys' fees incurred by counsel of City's choice.

8.5. City does not, and shall not, waive any rights that it may possess against Consultant because of the acceptance by City, or the deposit with City, of any insurance policy or certificate required pursuant to this Agreement. This hold harmless and indemnification provision shall apply regardless of whether or not any insurance policies are determined to be applicable to the claim, demand, damage, liability, loss, cost or expense.

9. INSURANCE

9.1. During the term of this Agreement, Consultant shall carry, maintain, and keep in full force and effect insurance against claims for death or injuries to persons or damages to property that may arise from or in connection with Consultant's performance of this Agreement. Such insurance shall be of the types and in the amounts as set forth below:

9.1.1. Comprehensive General Liability Insurance with coverage limits of not less than One Million Dollars ($1,000,000), per occurrence and in the aggregate, including products and operations hazard, contractual insurance, broad form property damage, independent consultants, personal injury, underground hazard, and explosion and collapse hazard where applicable.

9.1.2. Automobile Liability Insurance for vehicles used in connection with the performance of this Agreement with minimum limits of One Million Dollars ($1,000,000) per claimant and One Million dollars ($1,000,000) per incident.

9.1.3. Worker's Compensation insurance as required by the laws of the State of California.

9.1.4. Professional Errors and Omissions Insurance with coverage limits of not less than One Million Dollars ($1,000,000).

9.2. Consultant shall require each of its subcontractors to maintain insurance coverage that meets all of the requirements of this Agreement.

9.3. The policy or policies required by this Agreement shall be issued by an insurer admitted in the State of California and with a rating of at least A:VII in the latest edition of Best's Insurance Guide.

9.4. Consultant agrees that if it does not keep the aforesaid insurance in full force and effect, City may either (i) immediately terminate this Agreement; or (ii) take out the necessary insurance and pay, at Consultant's expense, the premium thereon.

9.5. At all times during the term of this Agreement, Consultant shall maintain on file with City a certificate or certificates of insurance showing that the aforesaid policies are in effect in the required amounts and naming the City and its officers, employees, agents and volunteers as additional insureds. Consultant shall, prior to commencement of work under this Agreement, file with City such certificate(s).

9.6. Consultant shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Such proof will be furnished at least two weeks prior to the expiration of the coverages.

9.7. The general liability and automobile policies of insurance required by this Agreement shall contain an endorsement naming City and its officers, employees, agents and volunteers as additional insureds. All of the policies required under this Agreement shall contain an endorsement providing that the policies cannot be canceled or reduced except on thirty days' prior written notice to City. Consultant agrees to require its insurer to modify the certificates of insurance to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation imposes no obligation, and to delete the word "endeavor" with regard to any notice provisions.

9.8. The insurance provided by Consultant shall be primary to any coverage available to City. Any insurance or self-insurance maintained by City and/or its officers, employees, agents or volunteers, shall be in excess of Consultant's insurance and shall not contribute with it.

9.9. All insurance coverage provided pursuant to this Agreement shall not prohibit Consultant, and Consultant's employees, agents or subcontractors, from waiving the right of subrogation prior to a loss. Consultant hereby waives all rights of subrogation against the City.

9.10. Any deductibles or self-insured retentions must be declared to and approved by the City.

9.11. Procurement of insurance by Consultant shall not be construed as a limitation of Consultant's liability or as full performance of Consultant's duties to indemnify, hold harmless and defend under Section **8** of this Agreement.

10. MUTUAL COOPERATION

10.1. City shall provide Consultant with all pertinent data, documents and other requested information as is reasonably available for the proper performance of Consultant's services under this Agreement.

Consultant agrees to cease all work under this Agreement on or before the effective date of any notice of termination. 14.2. If City terminates this Agreement due to no fault or failure of performance by Consultant, then Consultant shall be paid based on the work satisfactorily performed at the time of termination. In no event shall Consultant be entitled to receive more than the amount that would be paid to Consultant for the full performance of the services required by this Agreement.

15. GENERAL PROVISIONS

15.1. Consultant shall not delegate, transfer, subcontract or assign its duties or rights hereunder, either in whole or in part, without City's prior written consent, and any attempt to do so shall be void and of no effect. City shall not be obligated or liable under this Agreement to any party other than Consultant.

15.2. In the performance of this Agreement, Consultant shall not discriminate against any employee, subcontractor, or applicant for employment because of race, color, creed, religion, sex, marital status, sexual orientation, national origin, ancestry, age, physical or mental disability or medical condition.

15.3. Consultant agrees to comply with the regulations of City's "Conflict of Interest Code." Said Code is in accordance with the requirements of the Political Reform Act of 1974. Consultant covenants that it presently has no interest, and shall not have any interest, direct or indirect, which would conflict in any manner with the performance of service required hereunder. The term "conflict" shall include, as a minimum, the definition of a "conflict of interest" under the California Fair Political Practices Act and the City of Hughson Conflict of Interest Code, as that term is applied to consultants.

15.4. In accomplishing the scope of services of this Agreement, Consultant(s) may be performing a specialized or general service for the City, and there is a substantial likelihood that the consultant's work product will be presented, either written or orally, for the purpose of influencing a governmental decision. As a result, employees of the Consultant or the Consultant itself may be subject to a Category "1" disclosure of the City's Conflict of Interest Code. If in fact this applies to the Consultant a form 700 must be filed.

15.5. The captions appearing at the commencement of the sections hereof, and in any paragraph thereof, are descriptive only and for convenience in reference to this Agreement. Should there be any conflict between such heading, and the section or paragraph thereof at the head of which it appears, the section or paragraph thereof, as the case may be, and not such heading, shall control and govern in the construction of this Agreement. Masculine or feminine pronouns shall be substituted for the neuter form and vice versa, and the plural shall be substituted for the singular form and vice versa, in any place or places herein in which the context requires such substitution(s).

15.6. The waiver by City or Consultant of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or of any subsequent breach of the same or any other term, covenant or condition herein contained. No term, covenant or condition of this Agreement shall be deemed to have been waived by City or Consultant unless in writing.

15.7. Consultant shall not be liable for any failure to perform if Consultant presents acceptable evidence, in City's sole judgment, that such failure was due to causes beyond the control and without the fault or negligence of Consultant.

15.8. Each right, power and remedy provided for herein or now or hereafter existing at law, in equity, by statute, or otherwise shall be cumulative and shall be in addition to every other right, power, or remedy provided for herein or now or hereafter existing at law, in equity, by statute, or otherwise. The exercise, the commencement of the exercise, or the forbearance of the exercise by any party of any one or more of such rights, powers or remedies shall not preclude the simultaneous or later exercise by such party of any of all of such other rights, powers or remedies. In the event legal action shall be necessary to enforce any term, covenant or condition herein contained, the party prevailing in such action, whether reduced to judgment or not, shall be entitled to its reasonable court costs, including accountants' fees, if any, and attorneys' fees expended in such action.

15.9. If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, then such term or provision shall be amended to, and solely to, the extent necessary to cure such invalidity or unenforceability, and in its amended form shall be enforceable. In such event, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and be enforced to the fullest extent permitted by law.

15.10. This Agreement shall be governed and construed in accordance with the laws of the State of California.

15.11. If either party initiates an action to enforce the terms hereof or declare rights hereunder, the parties agree that the venue thereof shall be the County of Stanislaus, State of California. Consultant hereby waives any rights it might have to remove any such action pursuant to California Code of Civil Procedure Section 394.

15.12. All documents referenced as exhibits in this Agreement are hereby incorporated into this Agreement. In the event of any material discrepancy between the express provisions of

this Agreement and the provisions of any document incorporated herein by reference, the provisions of this Agreement shall prevail. This instrument contains the entire Agreement between City and Consultant with respect to the transactions contemplated herein. No other prior oral or written agreements are binding upon the parties. Amendments hereto or deviations here from shall be effective and binding only if made in writing and executed by City and Consultant.

15.13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which taken together shall constitute one and the same instrument. Each party agrees that this Agreement and any other documents to be delivered in connection herewith may be electronically signed, and that any electronic signatures appearing on this Agreement or such other documents are the same as handwritten signatures for purposes of validity, enforceability, and admissibility.

FIRST AMENDMENT TO
INTERGOVERNMENTAL COOPERATION AGREEMENT
STANISLAUS URBAN COUNTY
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
Three Year Agreement

This First Amendment ("**First Amendment**") dated for reference purposes as of November 1, 2022 ("**Effective Date**") amends that certain Intergovernmental Cooperation Agreement for the Stanislaus Urban County Community Development Block Grant Program (Three Year Agreement) by and between Stanislaus County, a political subdivision of the State of California, acting through its Department of Planning and Community Development (the "**County**"), and the Cities of Ceres, Hughson, Newman, Oakdale, Patterson, Riverbank and Waterford, each a municipal corporation of the State of California (individually a "**City**" and collectively, "**Cities**"), dated June 12, 2022 ("**Agreement**"). The Cities and the County are collectively referred to herein as the "**Parties**"; and, individually, a "**Party**".

RECITALS

A. Pursuant to the Agreement, County and Cities agreed to participate in the Stanislaus Urban County Community Development Block Grant Program.

B. Under the Housing and Community Development Act of 1974 and implementing regulations ("**Act**"), the Agreement must specify the three Federal fiscal years for which it is applicable, and each Program year start and end date. The Agreement contains errors in the Federal fiscal years and Program years for which it is applicable, and contains an error in date that Turlock is withdrawing as Lead Agency from the Home Consortium.

C. The recitals to the Agreement incorrectly state that the County and the Cities of Ceres, Hughson, Newman, Oakdale, Patterson, Riverbank, Turlock and Waterford will enter into a HOME Consortium Agreement. However, under Federal Regulations, the Consortium Agreement may only be between the City of Turlock, a metropolitan city, and Stanislaus County, an Urban County. The Cities of Ceres, Hughson, Newman, Oakdale, Patterson, Riverbank, and Waterford will participate in the Consortium as members of the Stanislaus Urban County as defined in Section 102(a)(6) of the Housing and Community Development Act (HCDA) of 1974, as amended. (24 CFR 101(b)).

D. The Agreement provides in part at paragraph 23 that any amendments to the Agreement a) shall be in writing; b) that any such amendments to the Agreement may be entered into at any time if required or necessary to comply with the regulations issued pursuant to the Act; and c) the amendments shall be signed by the City Manager of each of the Cities or his/her designee.

E. The Parties wish to correct the errors identified in Recital B and Recital C herein to comply with applicable laws and regulations. The Parties further wish to authorize the County's Director of Planning and Community Development to amend, revise or supplement the Agreement

by Administrative Amendment with written notice to the Cities if such amendment is necessary to comply with applicable laws and regulations.

NOW THEREFORE, the Parties agree as follows:

1. Notwithstanding anything to the contrary in the Agreement or in the resolutions approved by the Parties reflecting the approval of the Agreement, the Agreement is applicable to the following Federal fiscal years and the following Program years:

Federal Fiscal Years	**Program Years**
10/1/2022-9/30/2023	7/1/2023-6/30/2024
10/1/2023- 9/30/2024	7/1/2024-6/30/2025
10/1/2024-9/30/2025	7/1/2025-6/30/2026

2. Notwithstanding anything to the contrary in the recitals to the Agreement, (a) the effective date for the withdrawal of the City of Turlock as Lead Agency for the HOME Consortium is June 30, 2023; and (b) the County has agreed to take over as Lead Agency for the HOME Consortium effective July 1, 2023.

3. Notwithstanding anything to the contrary in the recitals to the Agreement, the County and the City of Turlock will enter into a separate Consortium Agreement relating to the HOME Program. The Cities of Ceres, Hughson, Newman, Oakdale, Patterson, Riverbank, and Waterford will participate in the Consortium as members of the Stanislaus Urban County as defined in Section 102(a)(6) of the Housing and Community Development Act (HCDA) of 1974, as amended. (24 CFR 92.101(b)).

4. Paragraph 23 of the Agreement shall be deleted in its entirety and replaced with the following:

> "23. Amendments. The County's Director of Planning and Community Development may amend, revise or supplement the Agreement by Administrative Amendment in order to maintain compliance with applicable laws and regulations upon written notice to the other Parties. The Administrative Amendment shall be effective upon execution by the County's Director of Planning and Community Development and delivery to all Parties. Amendments which modify the substantive terms of the Agreement shall be approved by the County's Director of Planning and Community Development and the City Manager of each of the Cities or his/her designee."

5. Except as amended herein the Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the Parties have executed this First Amendment as of the Effective Date.

Consultant shall not represent that it is, or that any of its agents or employees are, in any manner employees of City.

7. CONFIDENTIALITY

To the fullest extent permitted by law, Consultant shall indemnify, hold harmless and defend City, its officers, agents, employees and volunteers from and against any and all claims and losses, costs or expenses for any damage due to death or injury to any person and injury to any property resulting from any alleged acts that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Consultant or any of its officers, employees, servants, agents, or subcontractors in the performance of this Agreement, except those matters arising from City's sole negligence or willful misconduct. 8.3. The obligations of Consultant under this Section **8** will not be limited by the provisions of any workers' compensation act or similar act. Consultant expressly waives any statutory immunity under such statutes or laws as to City, its officers, agents, employees and volunteers.

8.4. Consultant agrees to obtain executed indemnity agreements with provisions identical to those set forth here in this Section **8** from each and every subcontractor or any other person or entity involved by, for, with or on behalf of Consultant in the performance of this Agreement. In the event Consultant fails to obtain such indemnity obligations from others as required herein, Consultant agrees to be fully responsible and indemnify, hold harmless and defend City, its officers, agents, employees and volunteers from and against any and all claims and losses, costs or expenses for any damage due to death or injury to any person and injury to any property resulting from any alleged intentional, reckless, negligent, or otherwise wrongful acts, errors or omissions of Consultant's subcontractors or any other person or entity involved by, for, with or on behalf of Consultant in the performance of this Agreement. Such costs and expenses shall include reasonable attorneys' fees incurred by counsel of City's choice.

8.5. City does not, and shall not, waive any rights that it may possess against Consultant because of the acceptance by City, or the deposit with City, of any insurance policy or certificate required pursuant to this Agreement. This hold harmless and indemnification provision shall apply regardless of whether or not any insurance policies are determined to be applicable to the claim, demand, damage, liability, loss, cost or expense.

9. INSURANCE

9.1. During the term of this Agreement, Consultant shall carry, maintain, and keep in full force and effect insurance against claims for death or injuries to persons or damages to property that may arise from or in connection with Consultant's performance of this Agreement. Such insurance shall be of the types and in the amounts as set forth below:

9.1.1. Comprehensive General Liability Insurance with coverage limits of not less than One Million Dollars ($1,000,000), per occurrence and in the aggregate, including products and operations hazard, contractual insurance, broad form property damage, independent consultants, personal injury, underground hazard, and explosion and collapse hazard where applicable.

9.1.2. Automobile Liability Insurance for vehicles used in connection with the performance of this Agreement with minimum limits of One Million Dollars ($1,000,000) per claimant and One Million dollars ($1,000,000) per incident.

9.1.3. Worker's Compensation insurance as required by the laws of the State of California.

9.1.4. Professional Errors and Omissions Insurance with coverage limits of not less than One Million Dollars ($1,000,000).

9.2. Consultant shall require each of its subcontractors to maintain insurance coverage that meets all of the requirements of this Agreement.

9.3. The policy or policies required by this Agreement shall be issued by an insurer admitted in the State of California and with a rating of at least A:VII in the latest edition of Best's Insurance Guide.

9.5. At all times during the term of this Agreement, Consultant shall maintain on file with City a certificate or certificates of insurance showing that the aforesaid policies are in effect in the required amounts and naming the City and its officers, employees, agents and volunteers as additional insureds. Consultant shall, prior to commencement of work under this Agreement, file with City such certificate(s).

9.6. Consultant shall provide proof that policies of insurance required herein expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Such proof will be furnished at least two weeks prior to the expiration of the coverages.

9.7. The general liability and automobile policies of insurance required by this Agreement shall contain an endorsement naming City and its officers, employees, agents and volunteers as additional insureds. All of the policies required under this Agreement shall contain an endorsement providing that the policies cannot be canceled or reduced except on thirty days' prior written notice to City. Consultant agrees to require its insurer to modify the certificates of insurance to delete any exculpatory wording stating that failure of the insurer to mail written notice of cancellation imposes no obligation, and to delete the word "endeavor" with regard to any notice provisions.

9.8. The insurance provided by Consultant shall be primary to any coverage available to City. Any insurance or self-insurance maintained by City and/or its officers, employees, agents or volunteers, shall be in excess of Consultant's insurance and shall not contribute with it.

9.9. All insurance coverage provided pursuant to this Agreement shall not prohibit Consultant, and Consultant's employees, agents or subcontractors, from waiving the right of subrogation prior to a loss. Consultant hereby waives all rights of subrogation against the City.

9.10. Any deductibles or self-insured retentions must be declared to and approved by the City.

9.11. Procurement of insurance by Consultant shall not be construed as a limitation of Consultant's liability or as full performance of Consultant's duties to indemnify, hold harmless and defend under Section **8** of this Agreement.

10. MUTUAL COOPERATION

10.1. City shall provide Consultant with all pertinent data, documents and other requested information as is reasonably available for the proper performance of Consultant's services under this Agreement.

Consultant shall have the right to terminate this Agreement for any reason on thirty calendar days' written notice to City. Consultant agrees to cease all work under this Agreement on or before the effective date of any notice of termination. All City data, documents, objects, materials or other tangible things shall be returned to City upon the termination or expiration of this Agreement.

14.2. If City terminates this Agreement due to no fault or failure of performance by Consultant, then Consultant shall be paid based on the work satisfactorily performed at the time of termination. In no event shall Consultant be entitled to receive more than the amount that would be paid to Consultant for the full performance of the services required by this Agreement.

15. GENERAL PROVISIONS

15.1. Consultant shall not delegate, transfer, subcontract or assign its duties or rights hereunder, either in whole or in part, without City's prior written consent, and any attempt to do so shall be void and of no effect. City shall not be obligated or liable under this Agreement to any party other than Consultant.

15.2. In the performance of this Agreement, Consultant shall not discriminate against any employee, subcontractor, or applicant for employment because of race, color, creed, religion, sex, marital status, sexual orientation, national origin, ancestry, age, physical or mental disability or medical condition.

15.3. Consultant agrees to comply with the regulations of City's "Conflict of Interest Code." Said Code is in accordance with the requirements of the Political Reform Act of 1974. Consultant covenants that it presently has no interest, and shall not have any interest, direct or interest, which would conflict in any manner with the performance of service required hereunder. The term "conflict" shall include, as a minimum, the definition of a "conflict of interest" under the California Fair Political Practices Act and the City of Hughson Conflict of Interest Code, as that term is applied to consultants.

15.4. In accomplishing the scope of services of this Agreement, Consultant(s) may be performing a specialized or general service for the City, and there is a substantial likelihood that the consultant's work product will be presented, either written or orally, for the purpose of influencing a governmental decision. As a result, employees of the Consultant or the Consultant itself may be subject to a Category "1" disclosure of the City's Conflict of Interest Code. If in fact this applies to the Consultant a form 700 must be filed.

15.5. The captions appearing at the commencement of the sections hereof, and in any paragraph thereof, are descriptive only and for convenience in reference to this Agreement. Should there be any conflict between such heading, and the section or paragraph thereof at the head of which it appears, the section or paragraph thereof, as the case may be, and not such heading, shall control and govern in the construction of this Agreement. Masculine or feminine pronouns shall be substituted for the neuter form and vice versa, and the plural shall be substituted for the singular form and vice versa, in any place or places herein in which the context requires such substitution(s).

15.6. The waiver by City or Consultant of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of such term, covenant or condition or of any subsequent breach of the same or any other term, covenant or condition herein contained. No term, covenant or condition of this Agreement shall be deemed to have been waived by City or Consultant unless in writing.

15.7. Consultant shall not be liable for any failure to perform if Consultant presents acceptable evidence, in City's sole judgment, that such failure was due to causes beyond the control and without the fault or negligence of Consultant.

15.8. Each right, power and remedy provided for herein or now or hereafter existing at law, in equity, by statute, or otherwise shall be cumulative and shall be in addition to every other right, power, or remedy provided for herein or now or hereafter existing at law, in equity, by statute, or otherwise. The exercise, the commencement of the exercise, or the forbearance of the exercise by any party of any one or more of such rights, powers or remedies shall not preclude the simultaneous or later exercise by such party of any of all of such other rights, powers or remedies. In the event legal action shall be necessary to enforce any term, covenant or condition herein contained, the party prevailing in such action, whether reduced to judgment or not, shall be entitled to its reasonable court costs, including accountants' fees, if any, and attorneys' fees expended in such action.

15.9. If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, then such term or provision shall be amended to, and solely to, the extent necessary to cure such invalidity or unenforceability, and in its amended form shall be enforceable. In such event, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and be enforced to the fullest extent permitted by law.

15.10. This Agreement shall be governed and construed in accordance with the laws of the State of California.

15.11. If either party initiates an action to enforce the terms hereof or declare rights hereunder, the parties agree that the venue thereof shall be the County of Stanislaus, State of California. Consultant hereby waives any rights it might have to remove any such action pursuant to California Code of Civil Procedure Section 394.

15.12. All documents referenced as exhibits in this Agreement are hereby incorporated into this Agreement. In the event of any material discrepancy between the express provisions of

this Agreement and the provisions of any document incorporated herein by reference, the provisions of this Agreement shall prevail. This instrument contains the entire Agreement between City and Consultant with respect to the transactions contemplated herein. No other prior oral or written agreements are binding upon the parties. Amendments hereto or deviations here from shall be effective and binding only if made in writing and executed by City and Consultant.

15.13. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which taken together shall constitute one and the same instrument. Each party agrees that this Agreement and any other documents to be delivered in connection herewith may be electronically signed, and that any electronic signatures appearing on this Agreement or such other documents are the same as handwritten signatures for purposes of validity, enforceability, and admissibility.

TO EFFECTUATE THIS AGREEMENT, the parties have caused their duly authorized representatives to execute this Agreement on the dates set forth below.

1% Post Election Manual Tally Report

General Election – November 8, 2022

Pursuant to California Elections Code 15360, The Stanislaus County Registrar of Voters will conduct a random drawing to determine which ballots will be hand tallied in the 1% Manual Tally to verify accuracy of the ballot counting equipment used at vote centers and at our central count location. Random draw was conducted on **November 10, 2022,** at 11:00 a.m.

- For vote center ballots: 1% of the vote centers will be randomly selected and all ballots cast at that location will be hand tallied.
- For vote by mail ballots: 1% of batches scanned at the central count location during the semifinal canvass will be randomly selected.
    - Central count utilized three color coded scanning groups: Orange, Yellow and Green. Each grouping will be drawn separately to ensure 1% of batches is randomly drawn from each scanning group.

RESOLUTION NO. 2022-60

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HUGHSON TO ADOPT THE 2022 STANISLAUS COUNTY MULTI-JURISDICTIONAL HAZARD MITIGATION PLAN UPDATE AND CITY OF HUGHSON LOCAL HAZARD MITIGATION PLAN ANNEX AND AS AN AMENDMENT BY INCORPORATION BY REFERENCE INTO THE SAFETY ELEMENT OF THE CITY OF HUGHSON GENERAL PLAN

WHEREAS, the City of Hughson recognizes the threat that natural hazards pose to people and property within our community; and

WHEREAS, undertaking hazard mitigation actions will reduce the potential for harm to people and property from future hazard occurrences; and

WHEREAS, the U.S. Congress passed the Disaster Mitigation Act of 2000 ("Disaster Mitigation Act") emphasizing the need for pre-disaster mitigation of potential hazards;

WHEREAS, the Disaster Mitigation Act made available hazard mitigation grants to state and local governments;

WHEREAS, an adopted Local Hazard Mitigation Plan (LHMP) update is required as a condition of future funding for mitigation projects under multiple Federal Emergency Management Agency (FEMA) pre- and post-disaster hazard mitigation assistance grant programs; and

WHEREAS, the City of Hughson has met all federal requirements of the Stafford Act and amendments, and has further met all the requirements of the Disaster Mitigation Act through stakeholder engagement and by participating in the Hazard Mitigation Planning Committee and through public participation from online surveys and public workshops; and

WHEREAS, the City of Hughson fully participated in the FEMA-prescribed mitigation planning process to prepare this LHMP Annex; and

WHEREAS, the California Office of Emergency Services (Cal OES) officials have reviewed the 2022 Stanislaus County MJHMP update and approved it contingent upon this official adoption of the participating governing body; and

WHEREAS, the City of Hughson desires to comply with the requirements of the Disaster Mitigation Act and to augment its emergency planning efforts by formally adopting the 2022 Stanislaus County MJHMP update; and

WHEREAS, the City of Hughson's 2021 Goals Report includes actions related to maintaining adequate resources for public safety that focus on police, fire and public safety partner resources; and

WHEREAS, the City of Hughson's General Plan Safety Element includes Emergency and Disaster Preparedness Goal S-4 to "ensure the City's ability to respond effectively to natural and human-cause emergencies"; and

WHEREAS, adoption by the governing body for the City of Hughson, demonstrates the jurisdiction's commitment to fulfilling the mitigation goals and objectives outlined in this LHMP Annex; and

WHEREAS, Assembly Bill (AB) 2140 provides cities the authority to adopt by reference their respective LHMP as part of the Safety Element of its General Plan and by doing so, a city becomes eligible for additional funding from the Cal OES under the California Disaster Assistance Act, and absent adoption of the LHMP into the Safety Element, maximum State funding from the OES is limited to 75% of the total cost of mitigation for qualifying events; and

WHEREAS, additional funding from Cal OES made available through this General Plan Amendment is in the public interest; and

WHEREAS, the potential impacts and proposed changes due to the General Plan Amendment are not detrimental to public health, safety, or welfare; and

WHEREAS, adoption of this legitimizes the plan and authorizes responsible agencies to carry out their responsibilities under the plan; and

WHEREAS, the adoption of the 2022 Stanislaus County MJHMP update and the City of Hughson LHMP Annex and as an amendment to the City of Hughson General Plan Safety Element incorporating the LHMP Annex is exempt from the California Environmental Quality Act (CEQA) pursuant to the following CEQA Guidelines sections each on a separate and independent basis: 15061(b)(3) (common sense exemption), 15183 (projects consistent with a community plan, general plan, or zoning), and 15162 (feasibility and planning studies). The common sense exemption applies only to projects which have the potential for causing a significant effect on the environment, and it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment. Section 15183 categorically exempts projects that are consistent with the City's General Plan, Community Plans, and Zoning Ordinance; the adoption of the 2022 Stanislaus County MJHMP and the City of Hughson LHMP Annex and its incorporation into the General Plan by reference will not have a significant effect on the environment. Section 15162 exempts feasibility and planning studies; the 2022 Stanislaus County MJHMP and the City of Hughson LHMP Annex is a planning study that informs the City of vulnerabilities to natural hazards and develops potential future actions to mitigation risks. The adoption of the LHMP Annex is not a commitment to any future action, nor is it a decision to approve, adopt, or fund any of the potential mitigation actions identified in the plan.

NOW, THEREFORE, BE IT RESOLVED, that the City of Hughson adopts the 2022 Stanislaus County MJHMP update and City of Hughson LHMP Annex as an official plan. While content related to the City of Hughson may require revisions to meet the plan

RESOLUTION NO. 2022-62

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HUGHSON FINDING THERE REMAINS A REASONABLE RELATIONSHIP BETWEEN CURRENT NEEDS FOR THE CITY'S DEVELOPMENT IMPACT FEES AND THE PURPOSES FOR WHICH THEY WERE ORIGINALLY CHARGED (GOVERNMENT CODE SECTION 66000 ET. SEQ.) RELATED TO THE CITY'S ANNUAL REPORT ON DEVELOPMENT IMPACT FEES FOR THE FISCAL YEAR ENDED JUNE 30, 2022

WHEREAS, the City of Hughson has been authorized by Resolution to establish and collect development impact fees; and

WHEREAS, the City has established discrete accounts and fees to finance the construction of improvements as mitigation measures for continued development within the City; and

WHEREAS, the City prioritizes improvements and allocates funds during the budget cycle to construct improvements as mitigation for continued development in the City; and

WHEREAS, improvements are scheduled to be constructed over time as sufficient funds become available; and

WHEREAS, there continues to be a distinct nexus between continued development and the necessity to mitigate development impacts; and

WHEREAS, fees collected in Storm Drain, Community Enhancement, Facility Development, Park In-Lieu, Parks Development, Sewer Capacity, Public Facility Streets, and Water Capacity fund accounts have not been expended in a timeframe exceeding five years, however are still necessary pursuant to AB1600 for the purpose in which they are collected, as project costs exceed current available resources and it will thus take longer to collect the necessary funds.

NOW, THEREFORE, BE IT RESOLVED that the Hughson City Council hereby:

Find and accepts the above Recitals as fact, approves the City's AB1600 Report for Fiscal Year 2021-22, as reflected in Exhibit "A", and does find there remains a reasonable relationship between the current need for the impact fees and the purposes for which they were originally collected.

CITY COUNCIL
CITY OF HUGHSON
RESOLUTION NO. 2022-63

RESOLUTION OF INTENT OF THE CITY OF HUGHSON CITY COUNCIL TO ESTABLISH THE CITY OF HUGHSON, CITYWIDE PUBLIC SAFETY AND MAINTENANCE SERVICES COMMUNITY FACILITIES DISTRICT TO LEVY A SPECIAL TAX THEREIN BEGINNING IN FISCAL YEAR 2023/24 AND APPROVING THE DISTRICT BOUNDARY MAP

THE CITY OF HUGHSON CITY COUNCIL DOES HEREBY RESOLVE THAT:

WHEREAS, under the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 of Part 1 of Division 2 of Title 5, commencing at Section 53311, of the California Government Code (the "Act"), the City of Hughson City Council (City Council) is authorized to establish a community facilities district and to act as its legislative body; and

WHEREAS, in accordance with Government Code Section 53321, the City of Hughson City Council intends to establish a community facilities district entitled "City of Hughson, Citywide Public Safety and Maintenance Services Community Facilities District".

NOW, THEREFORE, IT IS ORDERED as follows:

SECTION 1. Authority. The City Council proposes to conduct proceedings to establish a community facilities district pursuant to the Act.

SECTION 2. Boundaries Described. The proposed boundaries of the Community Facilities District (the "CFD") are as shown on the map on file with the City Clerk, which boundaries are hereby preliminarily approved and to which map reference is hereby made for further particulars. The City Clerk is hereby directed to record, or cause to be recorded, the map of the boundaries of the CFD in the office of the County Recorder within 15 days of the date of adoption of this Resolution, but in any event at least 15 days prior to the public hearing specified below.

SECTION 3. Name of CFD. The name proposed for the community facilities district is "City of Hughson Citywide Public Safety and Maintenance Services Community Facilities District".

SECTION 4. Services. The type of services proposed to be financed by the CFD and pursuant to the Act shall consist of those listed in Exhibit A, attached hereto (the "Services"). The City Council hereby determines that the Services are necessary to meet increased demands for such services placed upon the City as the result of development occurring within the area of the CFD. The Services are in addition to those provided in the territory of the CFD as of the date hereof and will not supplant services already available within the territory of the CFD as of the date hereof.

SECTION 5. Special Tax. Except to the extent that funds are otherwise available to the CFD to pay for the Services, a special tax (the "Special Tax") sufficient to pay the costs thereof, secured by recordation of a continuing lien against all non-exempt real property in

the CFD, will be levied annually within the CFD, and collected in the same manner as ordinary ad valorem property taxes, or in such other manner as the City Council or its designee shall determine, including direct billing of the affected property owners. The proposed rate and method of apportionment of the Special Tax among the parcels of real property within the CFD, in sufficient detail to allow each landowner within the proposed CFD to estimate the maximum amount such owner will have to pay, is described in Exhibit B attached hereto and hereby incorporated herein (the "Rate and Method").

The City Council hereby finds that the provisions of Section 53313.6, 53313.7 and 53313.9 of the Act (relating to adjustments to ad valorem property taxes and schools financed by a community facilities district) are inapplicable to the proposed CFD.

The Rate and Method may be altered in the future as described in supplements to the Rate and Method unanimously approved by the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed. No supplements to the Rate and Method will cause the maximum tax rate in the then-existing territory of the CFD to increase.

SECTION 6. Exempt Property. Except as may otherwise be provided by law or by the Rate and Method of the Special Tax for the CFD, all lands owned by any public entity, including the United States, the State of California, the County and/or the City, or any departments or political subdivisions thereof, shall be omitted from the levy of the Special Tax to be made to cover the costs and expenses of the Services of the CFD. In the event that a portion of the property within the CFD shall become for any reason exempt, wholly or in part, from the levy of the Special Tax, the City Council will, on behalf of the CFD, increase the levy to the extent necessary, up to the then maximum special tax allowable upon the remaining property within the CFD which is not exempt in order to yield the required Special Tax sufficient to pay the cost and expenses of the Services of the CFD, if any, subject to the provisions of the Rate and Method of the Special Tax.

SECTION 7. CFD Report. The City Officer (or designee thereof) is hereby directed to study the proposed Services and to make, or cause to be made, and file with the City Clerk a report in writing (the "CFD Report"), which shall be a part of the record of the public hearing hereinafter specified and which report shall present the following:

(a) A description of the Services that will be required to adequately meet the needs of the CFD.

(b) An estimate of the fair and reasonable cost of the Services including the cost of acquisition of equipment, training and related materials required in conjunction therewith and incidental expenses in connection therewith, and all other related costs.

(c) A boundary map of the CFD, showing the exterior boundaries of the area included in the CFD.

SECTION 8. Public Hearing. Monday, January 23, 2023, at 6:00 p.m. or as soon as possible thereafter, in the City Hall Council Chambers, 7018 Pine Street, Hughson, California, is hereby appointed and fixed as the time and place when and where the City Council, as legislative body for the CFD, will conduct a public hearing on the establishment of the CFD, and to consider and finally determine whether the public interest,

convenience and necessity require the formation of the CFD and the levy of a Special Tax.

SECTION 9. Notice of Hearing. The City Clerk is hereby directed to cause notice of the public hearing to be given by publication one time in a newspaper published in the area of the CFD. The publication shall be completed at least 7 days before the date of the public hearing specified above.

The City Clerk may also cause notice of the hearing to be given to each property owner within the CFD by first class mail, postage prepaid, to each such owner's address as it appears on the most recent tax records of the County or as otherwise known to the City Clerk to be correct. Such mailing shall be completed not less than 15 days before the date of the public hearing.

Each of the notices shall be substantially in the form specified in Section 53322 of the Act, with the form summarizing the provisions hereof hereby specifically approved.

SECTION 9. Election. The levy of the Special Tax shall be subject to the approval of the qualified electors of the CFD at a special election. The proposed voting procedure shall be by mailed or hand-delivered ballot among the landowners in the proposed CFD, with each owner having one vote for each acre or portion of an acre such owner owns in the CFD.

SECTION 10. Effective Date. This resolution shall take effect upon its adoption.

PASSED AND ADOPTED by the City Council of the City of Hughson at its regularly scheduled meeting on this 12th day of December, 2022 by the following roll call vote:
